Dear <FNAME> <LNAME>,

Congress has directed the Department of Defense to survey civilian mental and behavioral health care providers to determine if military service members and their families have access to care outside of the military. To assess this, we are gathering details surrounding health insurance and new patient acceptance. Even if you are not accepting new patients, please reply to the first question in this survey so that we may report accurate statistics to Congress.

There are three easy ways to complete this **5-minute** survey:

1 Complete Online https://www.health.mil/Patient-Surveys

Select Survey #3: TRICARE Select Survey for Civilian Providers

Password: <PASSWORD>

2 Return by Mail Use the enclosed pre-paid envelope

**3 Return by Fax** 1-734-663-9084

If you are not the appropriate person to answer these questions, please pass this on to the person in your office most familiar with billing and insurance. If you have questions about the survey, call 1-866-387-9018.

Thank you in advance for your cooperation.
