

TITLE: Defense Health Agency Maternity Survey

Dear {FIRSTNAME},

The Department of Defense knows that the childbirth and postpartum period can be an exciting if challenging time for our beneficiaries. We are interested in hearing more about your experience giving birth in the Military Health System.

Your input is so important as we work to improve the maternity benefit. Your participation is voluntary and your responses will be kept completely confidential. Most people take about 9 minutes to complete the survey. If you are eligible to participate in the Childbirth and Breastfeeding Support Demonstration, your decision to participate in this survey (or not) will not impact your eligibility for care. However, your responses may be used to improve the demonstration project or other programs within the DoD.
