**Ref ID: 201811-0930-004**

### **No Material or Non-substantive Change Justification**

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a no material or non-substantive change approval from the Office of Management and Budget (OMB) for (OMB No. 0930-0357) the Minority AIDS Initiative-Management Reporting Tools (MAI-MRTs).

SAMHSA is requesting a non-substantive change to revise questions to align with E.O. 14168 *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* and to align with current administration guidelines.

SAMHSA is requesting the following changes from the MAI Adult and Youth Questionnaires and the Performance Report in the “Minority AIDS Initiative-Management Reporting Tools (MAI-MRTs).” These changes will not impact the current burden hours:

- Replace the word “gender” with “sex.”
- Replace the question “what is your gender” with “what is your sex.”
- Maintain only the “male” and “female” response options for the question on “sex” and remove all other categories.
- Remove the follow-up question on “transgender identity” and “sexual orientation”.
- Remove the response option “transgender individual” for the question on “During the past 30 days, have you had unprotected sex with...”
- Remove the response option “LGBTQ” for the question on “target population”.
- Remove the option “injection drug use” for the question on “Target Risk Factors/Target Protective Factors: (select all that apply).”
- Remove the words “cultural” and “cultural and linguistic”.
- Replace the words “inequalities” with “differences” and “disparities” with “differentials.”
- Replace the word “race” with “race and/or ethnicity.”
- Revise response option from 50,000 to 49,999 for question on target geographic area.
- Replace “progress report” with “performance report” in quarterly report title.
