

**0930-0286 Center Mental Health Services Mental Health Client Outcome Measures and Infrastructure, Prevention, and Promotion Indicators (CMHS GPRA)**

**Ref ID: 202509-0930-011**

**No Material or Non-substantive Change Justification**

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a no material or non-substantive change approval from the Office of Management and Budget (OMB) for (OMB No. 0930-0285) the Center Mental Health Services Mental Health Client Outcome Measures and Infrastructure, Prevention, and Promotion Indicators (CMHS GPRA).

SAMHSA is requesting a non-substantive change to revise questions to align with E.O. 14168 Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government.

SAMHSA is requesting the following changes from CMHS GPRA tools. These changes will not impact the current burden hours.

Appendix A, \_CMHS Client Level Measures Data Collection:

- Removed the question, “What do you consider yourself to be?”
- Removed the sexual orientation question, “Do you think of yourself as...”, and its response options.
- Added the question, “What is your sex?”, with the response options “female” and “male.”
- Removed the term ‘culture’ from the ‘perception of care’ section within CMHS client level measures data collection tool.

Appendix B, IPP Indicators:

- Removed the DEIA training measure, “The number of individuals trained in diversity, equity, and inclusion as a result of the grant.”
- Removed the cultural adaptation of practices measure, “The number of activities modified/adapted/changed to reflect culturally appropriate practices to the populations being served by the grant.”
