

0930-0286 Garrett Lee Smith (GLS) Evaluation

Ref ID: 202509-0930-013

No Material or Non-substantive Change Justification

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a no material or non-substantive change approval from the Office of Management and Budget (OMB) for (OMB No. 0930-0286) Garrett Lee Smith (GLS) Evaluation.

SAMHSA is requesting a non-substantive change to revise questions to align with E.O. 14168 *Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government* and other administration guidelines.

SAMHSA is requesting the following changes from GLS Evaluation tool attachments B, D, F, G, H and I. These changes will not impact the current burden hours:

- Remove the response option “Lesbian, gay, bisexual, transgender, and queer or questioning (LGBTQ+) persons” for several questions within the different strategies sections of the ‘Prevention Strategies Inventory’ tool.
- Remove response option ‘sexual identity’ for the question 5a in behavioral health equity section of ‘Prevention Strategies Inventory’ tool.
- Replace the question 26, “what is your gender” with “what is your sex” and maintain only the “female” and “male” response options in the ‘Training Skills Assessment- Post Training’ tool.
- Remove “gender” and “sexual orientation” options from demographics and replace them with “sex”; and replace “LGBT group” with “peers” in the ‘Training Skills Assessment- Phone Simulation’ tool.
- Remove an option “You would be interested in joining a group for LGBT youth – but you also have been thinking about the Gay Alliance in town” within the substance use disclosure guidelines in the ‘Training Skills Assessment- Phone Simulation’ tool.
- Replace “gender” with “sex” and maintain only two response options (female/male); in the ‘Early Identification, Referral, Follow-up, and Treatment Form’ for both Individual and screening tools, and remove follow-up question on “sexual orientation” from the individual tool.
- Replace the question on “what sex were you assigned at birth?” with “what is your sex?” and maintain only two response options (female/male) in the ‘Youth Outcomes and Resiliency Survey’ tool and remove follow-up questions on “sexual orientation” and “gender identity”, and question in section 5 on “pronouns” and “sexual orientation”.

- Deleted question from Att I YORS: “I know how to find information that will better help me to better understand sexual and reproductive health” and associated response options.
- Removed “Behavioral Health Equity” section from Att B: PSI.
