

MIPS Value Pathways (MVP) Registration Guide

2024 Final Document versus 2025 Final Document

Burden impact: The changes in this guide don't reflect policies in the CY 2025 Physician Fee Scheduled (PFS) proposed rule for the Quality Payment Program. There is no impact to burden as a result of the changes reflected in this crosswalk.

2025 – Page 1

Reason for Change:

Alignment with current program year.

2024 Final Document text:

Title: 2024 MIPS Value Pathways (MVP) Registration Guide

2025 Final Document text:

Title: 2025 MIPS Value Pathways (MVP) Registration Guide

.....
Change #2:

Location:

2025 – Page 6

Reason for Change:

Revised language related to registering for a HARP account to note the process is no longer new.

2024 Final Document text:

NEW FOR 2024: To register, you'll sign in to the QPP website with your HCQIS Access and Roles Profile (HARP) account. This is different from the 2023 process of completing an Excel form and emailing the QPP Service Center.

2025 Final Document text:

To register, an individual at your organization will need a HCQIS Access and Roles Profile (HARP) account with the Quality Payment Program (QPP) Security Official Role.

Reason for Change:

Minor language revisions for clarity.

2024 Final Document text:

- The **Registration** tab in the left-hand navigation menu, then click + **Register or edit an MVP registration**
OR
- The **Go to registration portal** quick link on the home page then click + **Register or edit an MVP registration**

2025 Final Document text:

- *Selecting the **Go to registration portal** quick link on the **Account Home** page and then click **Register or edit an MVP registration**; OR*
- *Selecting the **Registration** tab in the left-hand navigation menu and then click **Register or edit an MVP registration**.*

.....
Change #9:

Location:

2025 – Page 11

Reason for Change:

Minor language and formatting revisions for clarity.

2024 Final Document text:

Find the organization for which you are wanting to register for MVP reporting. Most users will only have access to one organization type.

- If you have access to multiple organization types, you will see them tabbed across the top of the page. Click an organization type to view the list of associated organizations you can access.
- Once an organization type is selected, choose the organization registering to report MVP. You can filter by registration status or search by the Practice Name, if you have multiple organizations on your account.
- If registering for an Alternative Payment Model (APM) Entity, skip ahead to that section.

2025 Final Document text:

1. Click **APM Entities** or **Practices** (most users will only see one option available) to view a list of associated organizations you can access.

- If registering for an APM Entity, skip ahead to that section.

You can filter by registration status or search by the practice name if you have multiple organizations associated with your account.

2. Locate the organization under which you wish to register. From here, you can select the option to register a group, individual, or subgroup.

2025 – Page 13

Reason for Change:

Added instructions for navigating the registration options.

2024 Final Document text:

Select the appropriate reporting option, for the selected Practice. Select the reporting option below, to jump ahead in this guide

2025 Final Document text:

Select the appropriate registration option

- *Selecting **Register group** will take you to the **MVP Registration Details** page to begin registration.*

- Selecting **Register an individual** will take you to the **Manage Individual Registration** page.
- Selecting **Register a subgroup** will take you to the **Manage Subgroup Registration** page.

.....
Change #11:

Location:

2025 – Page 14

Reason for Change:

Revised registration instructions due to policy change related to population health measures.

2024 Final Document text:

You'll need to identify the MVP being selected for reporting along with the population health measure the MVP participant wishes to be evaluated on.

2025 Final Document text:

On the **MVP Registration Details** page, select the MVP you plan to report. *You won't be required to select a population health measure during registration. This is different from the 2024 MVP registration process requiring you to select a population health measure.*

.....
Change #12:

Location:

2025 – Page 14

Reason for Change:

Revised the reminder language due to policy change related to population health measures.

2024 Final Document text:

Scoring reminder: If the MVP participant doesn't meet requirements for the population health measure selected during registration, the measure will be excluded from scoring.

2025 Final Document text:

Reminder: *A group must have 16 or more clinicians to be eligible for either of the population health measures. We will calculate all available population health measures within the selected MVP and apply the highest achieving measure to your quality score. If you don't meet case minimum for either population health measure, the measure will be excluded from scoring. The population health measures don't count towards the 4 required quality measures.*

.....
Change #13:

Location:

Change #24:

Location:

2025 – Slide 35 (2024 – Slide 34)

Reason for Change:

Revised language to state which registrants may participate in CAHPS for MIPS and updated registration deadline for 2025.

2024 Final Document text:

If the MVP you've registered for, includes the CAHPS for MIPS Survey as an available quality measure, you'll need to complete a separate registration by *July 1, 2024*, at 8p.m. ET. Visit the QPP website to [learn more about CAHPS for MIPS Survey registration](#).

2025 Final Document text:

Groups, subgroups, and APM Entities that register for an MVP that includes the CAHPS for MIPS Survey as an available quality measure will need to complete a separate registration by *June 30, 2025*, at 8p.m. ET. Visit the QPP website to [learn more about CAHPS for MIPS Survey registration](#).*

.....
Change #25:

Location:

2025 – Slide 35 (2024 – Slide 34)

Reason for Change:

Added new MVP that includes the CAHPS for MIPS measure.

2024 Final Document text:

- Groups, subgroups*, and APM Entities that are registered to report the following 3 MVPs and intend to administer the CAHPS for MIPS Survey as 1 of their 4 quality measures:
 1. Adopting Best Practices and Promoting Patient Safety within Emergency Medicine MVP (MVP ID: G0057)
 2. Advancing Cancer Care MVP (MVP ID: M0001)
 3. Value in Primary Care MVP (MVP ID: M0005)

2025 Final Document text:

- *The CAHPS for MIPS Survey is available as a quality measure within the following MVPs:*
 1. Adopting Best Practices and Promoting Patient Safety within Emergency Medicine MVP (MVP ID: G0057)
 2. Advancing Cancer Care MVP (MVP ID: M0001)
 3. *Optimal Care for Patients with Urologic Conditions MVP (MVP ID: M1423)*
 4. Value in Primary Care MVP (MVP ID: M0005)

According to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1314 (Expiration date: 2/28/2027). This information collection is the tool to register as an MVP to meet MIPS reporting requirements. The time required to complete this information collection varies per response, including the time to review instructions, search existing data resources, gather the data needed, to review and complete the information collection. This information collection is mandatory (Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) (Pub. L. 114-10, April 16, 2015)) and all information collected will be kept private in accordance with regulations at 45 CFR 155.260, Privacy and Security of Personally Identifiable Information. Pursuant to this regulation, CMS may only use or disclose personally identifiable information to the extent that such information is necessary to carry out their statutory and regulatory mandated functions. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, MD 21244-1850. If you have questions or concerns regarding where to submit your documents, please contact QPP at qpp@cms.hhs.gov.

Under the Privacy Act of 1974 (5 U.S.C. 552a) any personally identifying information obtained will be kept private to the extent of the law.
