Office of Policy, Management, and Budget
Office of Subsistence Management

APPLICANT:

PANELIST:

DATE:

Use this form to interview applicants. Information from the questions that follow will help the Federal Subsistence Board develop a list of recommended appointments to the Federal Subsistence Regional Advisory Councils. All candidates must be a resident of the region they seek to represent (they must actually live in that region (e.g., receive mail, vote, etc.)). Councils include subsistence resource users and commercial/sport resource users. Applicants must declare for one category or the other, and interviewers need to pay careful attention to the affiliation of the candidate.

Factors used to evaluate individual qualifications include:

- Knowledge of fish and wildlife resources in the region;
- Knowledge of subsistence uses, customs, and traditions in the region;
- Knowledge of commercial, sport, and other uses in the region;
- Leadership and experience with local, regional, and Statewide organizations;
- Ability to communicate effectively;
- Willingness to travel to and attend Regional Council meetings at least two times each year (usually in September or October and February or March); and
- Willingness to occasionally attend Federal Subsistence Board meetings.

When interviewing applicants, panel members must ask the questions on this form in the order listed and use the exact wording of the questions. These questions follow the required criteria and correspond with the application form. However, if necessary, explain the question using different wording until the applicant responds to the question.

It is important to use the same impartial demeanor with each applicant, his or her reference, and any key contacts. Panel members should be courteous and helpful during interviews, yet gently discourage discussions not relevant to the interview. If panel members have difficulty communicating with an applicant or in remaining objective, the panelist may call on the Regional Coordinator or FACA Coordinator for assistance.
