**Purpose:** The information collected on ATF Form 5400.4, Limited Permittee Transaction Report (LPTR), and included on the ATF Form 5400.30, Intrastate Purchase of Explosives Coupon (IPEC), is used to ensure compliance with federal explosives laws by verifying that explosive materials are distributed only to authorized limited permittees and that such transactions are conducted lawfully. **Disclosure:** Providing this information is mandatory under 18 U.S.C. §§ 842 and 843, and the implementing regulations at 27 CFR Part 555. Limited permittees must complete the required forms and affix valid Intrastate Purchase of Explosives Coupons (IPECs) to the transaction reports in order to lawfully acquire explosive materials. Failure to provide the required information may result in denial of the transaction, revocation of the permit, or civil or criminal penalties under federal law.
