Hi Isabel,

We discussed this at length with Michael and he didn't have huge concerns. He said he would make sure everything lined up when it came to him to submit in ROCIS. Proceed until apprehended.

Hi Stephanie

It might be too early to ask but because this ICR (1205-0451) is expiring on October 31, 2025, I have to ask now. Did OCIO have any issues with the justification we provided for the numerical difference sufficient?
