## **Caution: DRAFT—NOT FOR FILING**

**Note:** [Announcement 2026-01 PDF](#) provides general information to interested taxpayers and potential claimants on claiming a payment under a new OBBB provision related to dyed fuel. The new law allows a taxpayer to recover federal excise taxes paid on clear diesel fuel or kerosene if that taxpayer later removed the fuel from a terminal as dyed fuel for nontaxable use. The announcement notes that absent a statutory change, Treasury and the IRS lack the authority to pay the claims to anyone other than the person that paid the original tax on the dyed fuel to which the claim relates. The IRS will update this information as the situation develops and changes. Until that time, do not file section 6435 claims and do not file this draft; instead use the final form posted at [www.irs.gov/Form8849](http://www.irs.gov/Form8849) and [www.irs.gov/LatestForms](http://www.irs.gov/LatestForms).

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms.** We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](http://IRS.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](http://IRS.gov/LatestForms). Also see [IRS.gov/Forms](http://IRS.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](http://IRS.gov/Form1040) for Form 1040; [IRS.gov/Pub501](http://IRS.gov/Pub501) for Pub. 501; [IRS.gov/W4](http://IRS.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](http://IRS.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](http://IRS.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501”, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

## Future Developments

For the latest information about developments related to Form 8849 and its instructions or separate schedules, such as legislation enacted after they were published, go to [www.irs.gov/Form8849](http://www.irs.gov/Form8849).

## What's New

Changes are discussed under *What's New* in the instructions for each schedule.

**Schedule 3.** The section 6427 claims for payments expired after 2024. Do not file Schedule 3 (Form 8849) for any claims related to these payments after 2024.

## Reminders

- You can electronically file Form 8849 through any electronic return originator (ERO), transmitter, and/or intermediate service provider (ISP) participating in the IRS *e-file* program for excise taxes. For more information on *e-file* and its availability, visit the IRS website at [www.irs.gov/efile](http://www.irs.gov/efile).
- Qualified subchapter S subsidiaries (QSubs) and eligible single-owner disregarded entities are treated as separate entities for certain excise tax and reporting purposes. QSubs and eligible single-owner disregarded entities must pay and report certain excise taxes (other than IRS Nos. 31, 51, and 117), register for certain excise tax activities, and claim certain refunds, credits, and payments under the entity's employer identification number (EIN). These actions cannot take place under the owner's taxpayer identification number (TIN). Some QSubs and disregarded entities may already have an EIN. However, if you are unsure, call the IRS business and specialty tax line at 1-800-829-4933.

Generally, QSubs and eligible single-owner disregarded entities will continue to be treated as disregarded entities for other federal tax purposes (other than employment taxes). Thus, taxpayers filing Form 4136, Credit for Federal Tax Paid on Fuels, with Form 1040, Individual Income Tax Return, can use the owner's TIN. For specific information, see Treasury Decision (T.D.) 9356. You can find T.D. 9356 on page 675 of Internal Revenue Bulletin 2007-39 at [www.irs.gov/pub/irs-irbs/irb07-39.pdf](http://www.irs.gov/pub/irs-irbs/irb07-39.pdf).

## Specific Instructions

### Name and Address

Print the information in the spaces provided. Begin printing in the first box on the left. Leave a blank box between each name and word. If there are not enough boxes, print as many letters as there are boxes. Use hyphens for compound names; use one box for each hyphen.

**P.O. box.** If your post office does not deliver mail to your street address and you have a P.O. box, show your box number instead of your street address.

**Foreign address.** Follow the country's practice for entering the postal code.

### EIN and SSN

Enter your EIN in the boxes provided. If you are not required to have an EIN, enter your SSN. An incorrect or missing number will delay processing your claim.

### Month Income Tax Year Ends

Enter the month your income tax year ends. For example, if your income tax year ends in December, enter "12" in the boxes. If your year ends in March, enter "03."

### Line 1a

Enter the total refund from Schedules 1, 2, 5, 6, and 8.

**Signature**

Form 8849 must be signed by a person with authority to sign this form for the claimant.

**Note:** Your refund will be delayed or Form 8849 will be returned to you if you do not follow the required procedures or do not provide all the required information. See the instructions for each schedule.

Complete each schedule and attach all information requested for each claim you make. Generally, include the following:

- EIN (or SSN) on each attached schedule,
- Period of the claim,
- Item number (when requested) from the *Type of Use Table* below,
- Rate (as needed; see the separate schedule instructions),
- Number of gallons, and
- Amount of refund.

If you need more space for any line on a schedule (for example, you have more than one type of use), prepare a separate sheet with the same information. Include your name and EIN (or SSN) on each sheet you attach.

**Type of Use Table**

The following table lists the nontaxable uses of fuels. You must enter the number from the table in the **Type of Use** column as required on Schedules 1 and 2.

No.	Type of Use
1	On a farm for farming purposes
2	Off-highway business use (for business use other than in a highway vehicle registered or required to be registered for highway use) (other than use in mobile machinery)
3	Export
4	In a boat engaged in commercial fishing
5	In certain intercity and local buses
6	In a qualified local bus
7	In a bus transporting students and employees of schools (school buses)
8	For diesel fuel and kerosene (other than kerosene used in aviation) used other than as a fuel in the propulsion engine of a train or diesel-powered highway vehicle (but not off-highway business use)
9	In foreign trade
10	Certain helicopter and fixed-wing aircraft uses
11	Exclusive use by a qualified blood collector organization
12	In a highway vehicle owned by the United States that is not used on a highway

14	Exclusive use by a state, political subdivision of a state, or the District of Columbia
15	In an aircraft or vehicle owned by an aircraft museum
16	In military aircraft

**Types of Use 13 and 14.** Generally, claims for sales of diesel fuel, kerosene, kerosene for use in aviation, gasoline, or aviation gasoline for the exclusive use of a state or local government (and nonprofit educational organization for gasoline or aviation gasoline) must be made following the order below.

1. By the registered credit card issuer if the state or local government (or nonprofit educational organization if applicable) used a credit card and the credit card issuer meets the requirements discussed in the Schedule 8 (Form 8849) instructions.

2. By the registered ultimate vendor if the ultimate purchaser did not use a credit card and the ultimate vendor meets the requirements discussed in the Schedule 2 (Form 8849) instructions.

3. By the ultimate purchaser if the ultimate purchaser used a credit card and neither the registered credit card issuer nor the registered ultimate vendor is eligible to make the claim.

For additional requirements, see Pub. 510.

**Additional Information for Schedules 1, 2, and 3**

**Annual Claims**

If a claim was not made for any gallons during the income tax year on Form 8849, an annual claim may be made. Generally, an annual claim is made on Form 4136 for the income tax year during which the fuel was:

- Used by the ultimate purchaser;
- Sold by the registered ultimate vendor;
- Purchased with a credit card issued by a registered credit card issuer (except for gasoline and aviation gasoline);
- Used to produce biodiesel or renewable diesel mixtures, and alternative fuel mixtures; or
- Used in mobile machinery.

The following claimants must use Form 8849 (Schedule 1) for annual claims.

1. The United States.

2. A state, political subdivision of a state, or the District of Columbia (but see *Types of Use 13 and 14*, earlier).

3. Organizations exempt from income tax under section 501(a) (provided that the organization is not required to file Form 990-T, Exempt Organization Business Income Tax Return, for that taxable year).

For claimants included in 1–3 above, the annual Form 8849 for fuel used during the taxable year must be filed within the 3 years following the close of the taxable year. For these claimants, the taxable year is based on the calendar year or fiscal year it regularly uses to keep its books.

Although not an annual claim, the above claimants should use Schedule 3 (Form 8849) to claim the alternative fuel credit.

**Note:** Gasoline used by the above claimants on a farm for farming purposes (type of use 1) is an allowable use on Schedule 1 (Form 8849), line 1.

**Schedule 3**

The section 6427 payments for mixtures of biodiesel, renewable diesel, agri-biodiesel (as allowed under section 6426(c)(5)), sustainable aviation fuels, and alternative fuels and mixtures expired for sales, uses, or removals occurring after 2024. Do not file Schedule 3 (Form 8849) for any claims related to these payments after 2024. Continue to use the Form 8849, August 2014 revision and the Schedule 3 (Form 8849), January 2023 revision for any claims for sales, uses, or removals occurring on or before December 31, 2024.

The preparer must give you a copy of the form in addition to the copy to be filed with the IRS.

**Privacy Act and Paperwork Reduction Act Notice.** We ask for the information on the form and schedules to carry out the Internal Revenue laws of the United States. We need it to figure and collect the right amount of tax. Subtitle F, Procedure and Administration, of the Internal Revenue Code allows refunds of taxes imposed under Subtitle D, Miscellaneous Excise Taxes. The form and schedules are used to determine the amount of the refund that is due to you. Section 6109 requires you to provide your taxpayer identification number (SSN or EIN). Routine uses of tax information include giving it to the Department of Justice for civil and criminal litigation, and cities, states, and the District of Columbia for use in administering their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement agencies and intelligence agencies to combat terrorism.

You are not required to claim a refund; however, if you do so, you must provide the information requested on this form. If you fail to provide all requested information in a timely manner, we may be unable to process this claim. If you provide false or fraudulent information, you may be liable for penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by section 6103.
