Agency Information Collection: Discretionary Grant Programs Using the Generic Application Package

AGENCY: Department of Education (ED), Office of Planning, Evaluation and Policy Development

OMB Control Number: 1894-0006

SUMMARY:

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 3501 *et seq.*), ED is submitting a change request to add two new programs that will be using the Generic Application Package information collection (1894-0006) as outlined in this memo. The Department has assessed the proposed changes and believe that they have minimal impact on respondent burden.

1. Name of Agency Information Collection

This non-substantive change request adds the Charter Schools Program Model Development and Dissemination Program and the American History and Civics Education National Activities-Seminars for America's Semiquincentennial (AHC Seminars) to the list of programs using the generic application package. We anticipate a small increase in the number of total annual responses/respondents and total annual hours based on the addition of these two programs.
