Burden Disclosure Statement

This data is being collected to verify compliance with the Energy Efficiency and Conservation Block Grant (EECBG) Program, as set forth in Funding Opportunity Announcement DE-FOA-0000013 Attachment C, the Energy Independence and Security Act of 2007 (P.L. 110-140). This collection also meets the Office of Management and Budget (OMB) requirements for (1) grant and financial administration, and (2) American Recovery and Reinvestment Act of 2009 (ARRA or Recovery Act; Pub. L. No. 111-5) funds.

EECBG is authorized under the Energy Policy and Conservation Act, as amended (42 U.S.C. 6321 et seq.).

Public reporting burden for this collection of information is estimated to average three hours to complete each annual report for financing programs created in three grant programs; the EECBG Formula Grants, the EECBG Better Neighborhoods-EECBG Competitive Topic 1 Grant, and the EECBG Better Neighborhoods- EECBG Competitive Topic 2 Grant. There are 105 reporting entities managing 144 financing programs. This reflects an increase due to grantee reporting clarifications from 2013 when there were 99 reporting entities. This annual report is mandatory for grantees that are actively using EECBG funds in Financing Programs. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Enterprise Policy Development & Implementation Office, IM-22, Information Collection Management Program (1910-XXXX), U.S. Department of Energy, 1000 Independence Avenue SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-XXXX), Washington, DC 20503.
