

The FAA has received a third-party request for the release of the aforementioned engineering data under the provisions of the Freedom of Information Act (FOIA), 5 U.S.C. 552. The FAA cannot release commercial or financial information under FOIA without the permission of the data owner. However, in accordance with title 49 of the United States Code § 44704(a)(5), the FAA can provide STC “engineering data” it possesses for STC maintenance or improvement, upon request, if the following conditions are met:

1. The FAA determines the STC has been inactive for 3 years or more;
2. Using due diligence, the FAA is unable to locate the owner of record or the owner of record’s heir; and
3. The availability of such data will enhance aviation safety.

There has been no activity on this STC for more than 3 years.

On April 18, 2025, the FAA sent a certified letter to Stephen M. Hill at his last known addresses: 151 Chase Street, Florence, SC 29501 and 1300 Pickney Avenue, Florence, SC 29501. The letter informed Stephen M. Hill that the FAA had received a request for engineering data related to STC No. SA1584SW and was conducting a due diligence search to determine whether the STC was inactive and may be considered abandoned. The letter further requested Mr. Stephen M. Hill to respond in writing within 60 days and state whether he is the holder of the STC. The FAA also attempted to contact Stephen M. Hill by other means, including telephone communication, email, registered mail, etc., without success.

Information Requested

If you are the owner or heir or a transferee of STC No. SA1584SW or have any knowledge regarding who may now hold STC No. SA1584SW, please contact Richard Bolden using a method described in this notice under **FOR FURTHER INFORMATION CONTACT**. If you are the heir of the owner, or the owner by transfer, of STC No. SA1584SW, you must provide a notarized copy of your government-issued identification with a letter and background establishing your ownership of the STC and, if applicable, your relationship as the heir to the deceased holder of the STC.

Conclusion

If the FAA does not receive any response by June 16, 2026, the FAA will consider STC No. SA1584SW abandoned, and the FAA will proceed with the release of the requested data. This action is for the purpose of

maintaining the airworthiness of an aircraft and enhancing aviation safety.

SUMMARY: Under the Paperwork Reduction Act of 1995 (PRA) and its implementing regulations, this notice announces that FRA is forwarding the Information Collection Request (ICR) summarized below to the Office of Management and Budget (OMB) for review and comment. The ICR describes the information collection and its expected burden. On September 12, 2025, FRA published a notice providing a 60-day period for public comment on the ICR. FRA received no comments in response to the notice.

DATES: Interested persons are invited to submit comments on or before January 20, 2026.

ADDRESSES: Written comments and recommendations for the proposed ICR should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find the particular ICR by selecting “Currently under Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Ms. Arlette Mussington, Information Collection Clearance Officer, at email: arlette.mussington@dot.gov or telephone: (571) 609–1285 or Ms. Joanne Swafford, Information Collection Clearance Officer, at email: joanne.swafford@dot.gov or telephone: (757) 897–9908.

SUPPLEMENTARY INFORMATION: The PRA, 44 U.S.C. 3501–3520, and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages.

See 44 U.S.C. 3506, 3507; 5 CFR 1320.8 through 1320.12. On September 12, 2025, FRA published a 60-day notice in the **Federal Register** soliciting public comment on the ICR for which it is now seeking OMB approval. See 90 FR 44286. FRA has received no comments related to the proposed collection of information.

Before OMB decides whether to approve this proposed collection of information, it must provide 30 days’ notice for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b) and (c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983 (Aug. 29, 1995). The 30-day notice informs the regulated community of their opportunity to file relevant comments and affords the agency adequate time to consider public comments before it renders a decision. 60 FR 44983 (Aug. 29, 1995). Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA’s estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

Title: Securities Exchange Act Disclosure Rules.

OMB Control No.: 1557–0106.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB approve its revised burden estimates.

The Securities and Exchange Commission (SEC) is required by statute to collect, in accordance with its regulations, certain information and documents from any firm that is required to register its stock with the SEC. Federal law requires the OCC to apply similar regulations to any national bank or Federal savings association similarly required to be registered with the SEC (generally those with a class of equity securities held by 2,000 or more shareholders). 12 CFR part 11 ensures that a national bank or Federal savings association whose securities are subject to registration provides adequate information about its operations to current and potential shareholders and the public. The OCC reviews the information to ensure that it complies with Federal law and makes public all information required to be filed under the rule.
