

**Request for Approval under the “Generic Clearance for the Collection of
Routine Customer Feedback” (OMB Control Number: 1545-1432)**

TITLE OF INFORMATION COLLECTION: FY 2023 STAKEHOLDER PARTNERSHIPS,
EDUCATION, AND COMMUNICATION (SPEC) - VOLUNTEER EXPERIENCE SURVEY

PURPOSE:

The purpose of the survey is to gather feedback on two external performance measures: 1) SPEC Volunteer Satisfaction 2) SPEC Volunteer Dissatisfaction. As part of the agency's and IRS emphasis on customer experience, the information will help identify areas for improvement to the VITA/TCE program to meet Partners' and volunteers' needs and enhance services to taxpayers. The contractor, Pacific Consulting Group (PCG), will administer annual online surveys of 1,000 volunteers, with a minimum quota of 200 IRS employees, to determine their level of satisfaction with the VITA/TCE program and identify areas for improvement. The survey consists of 46 non-demographic questions. Based on the selections made in question 1, respondents will be automatically branched to the respective follow-up questions. Each respondent will receive between 5 and 42 questions.

Volunteers are the backbone of the VITA/TCE program; they allow the IRS to serve taxpayers who might otherwise pay for tax preparation or make errors during self-preparation. The defining features of volunteerism as voluntary, sustained helpfulness suggests it may be productive to examine the motivations that lead individuals to seek VITA/TCE volunteer opportunities and to sustain VITA/TCE volunteerism from year to year. This research will add important quantitative information and provide a greater understanding of volunteer experiences with the VITA/TCE program and services.

- How do volunteers learn about the VITA/TCE program?
- How do volunteers rate their overall experience with using IRS.gov to sign up as a volunteer?
- Were their questions answered during Orientation?
- How do volunteers rate the training they receive?
- Was the frequency of communications with the Community Partner or Site Coordinator appropriate or too infrequent?
- How likely are volunteers to assist in the VITA/TCE program again?

DESCRIPTION OF RESPONDENTS:

Survey respondents will be recruited from the online VITA/TCE sign up form on IRS.gov. The vendor, PCG, will recruit respondents from a list of approximately 8,000 volunteers who indicated they were willing to be contacted regarding IRS research.

Following screening the total expected participants is 1,000 respondents including 200 IRS employees. The participants total burden estimate is 15 minutes and includes projected times to: read correspondence (initial solicitation, confirmation, and reminder emails), complete the screening form (for interested respondents), and participate in the survey.

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
[X] Yes [] No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

Participants are selected from an existing database of volunteers who signed up and provided an email address on IRS.gov (<https://www.irs.gov/individuals/irs-tax-volunteers>) to volunteer with the VITA/TCE Program and agreed to take the survey. A mixture of participants from each state, Puerto Rico, Guam, and the U.S. Virgin Islands are selected randomly to ensure equitable representation. Information is collected onto an Excel spreadsheet and a random number is assigned to each record. The file is then sorted by state and random number. To ensure adequate and diverse sampling, the pre-determined number of participants from each state or territory is selected and added to a second Excel spreadsheet from which volunteers are sent opt-in emails. If they agree to participate, they will be sent email invitations with a link to access the survey.
