Subject: Take the 2024 IRS TFOP Partner Satisfaction Survey

Dear IRS TFOP Partner,

Thank you for “opting in” to participate in the Tax Forms Outlet Program (TFOP) survey. Providing your experiences and opinions about this program will help the IRS improve future resources and services.

We are administering the survey for the Internal Revenue Service (IRS) under the authority of Internal Revenue Code (IRC) Section 7801. The IRS authorized us to receive case information, and we are legally compelled to protect it under the Privacy Act and IRC Section 6103. We’ll send surveys, collect data, and provide survey results to the IRS without information that could trace a response back to a person or case number. Your privacy will be protected to the extent of the law.

Your participation is voluntary. It may take 15 minutes to complete. You can complete it online at any time.

Please take the survey by [DATE], at the following URL (copy and paste the URL into your web browser): [URL]

Your responses will automatically be saved until you submit the survey. You can exit and re-enter to finish any time.

You can verify this survey at www.irs.gov/css listed as W&I:CARE:M&P – Forms Distribution.

If you have any questions about this survey or are having problems accessing the survey, you can email us at MPHelp@pcgsurveys.com or call us toll-free at 844-817-3520.

Thank you in advance for your participation.
