

**SPEC Volunteer Survey Communications  
Draft Version (2.6.24)**

**Pre-Note (from IRS)**

Subject: Your Feedback on Volunteering with SPEC

Dear [Volunteer's Name],

Volunteers are the backbone of the IRS Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs. Volunteers assist taxpayers in underserved communities who might otherwise pay for tax preparation or make errors during self-preparation.

We want to develop the best possible program for people like yourself who sign up to volunteer with VITA/TCE. To that end, we are running a survey to determine volunteers' level of satisfaction with the program and to improve the experience. Your feedback will help us to improve our communication with volunteers, provide better support for volunteers, and create a more satisfying volunteer experience.

This survey asks for feedback from individuals who volunteered at an IRS Partner site, as well as those who have just started the process of volunteering but have not yet been assigned. We value insights from both sets of individuals, so we will know how to improve the overall process.

Please look for an email invitation from Pacific Consulting Group (PCG), an independent research firm, in the next few days. Your feedback is important to us so please take the time to complete the survey.

- We estimate it will take approximately 15 minutes to complete this web-based survey, including the time to review instructions.
- Aggregate data will be shared with IRS staff, but your individual responses will not be linked to your name or other identifying information. We do this to encourage you to provide honest responses. Whatever your opinion is, we would like to hear it.
- We strongly value your privacy. Your identity will be protected to the extent of the law. Providing information is voluntary, and you need not answer every question. While not providing some of the requested information has no ramifications for you, it will limit our learning and ability to address volunteers' needs.
- If you have questions about accessing or navigating the survey, you can contact the survey help center at [[volunteersurvey@pcgsurveys.com](mailto:volunteersurvey@pcgsurveys.com)].

Respectfully,
