

**FY2026 CAP Survey for 2024 CAP Cycle**  
**TPS Director – Survey Distribution Email**  
**Email Date: Month, dd, yyyy**

Dear CAP Participant,

Over the past several years, the Compliance Assurance Process (CAP) community has collaborated with the IRS's Large Business and International (LB&I) division to improve federal tax compliance of corporate taxpayers. Your CAP account coordinator recently informed you of an upcoming survey to assist LB&I in evaluating the CAP program.

LB&I's Technology and Program Solutions (TPS) organization manages all external surveys for LB&I. As TPS Director, I am asking that you support LB&I's efforts by completing the LB&I CAP Survey, using the following link to access the survey:

[https://yourviews.pcgfirm.com/jfe/form/SV\\_23jfBXmjdwbROdg](https://yourviews.pcgfirm.com/jfe/form/SV_23jfBXmjdwbROdg)

Your anonymous feedback to this **10-minute questionnaire** will be a critical component of LB&I's evaluation of CAP.

The survey is available online until **Month, dd, yyyy**.

You can verify the authenticity of this survey and our contractor, Pacific Consulting Group, at [IRS.gov/privacy-disclosure/irs-surveys](https://www.irs.gov/privacy-disclosure/irs-surveys).

If you have any questions, please reach out to TPS manager, Patricia Hampton, at [Program Planning and Reporting](#).

Thank you in advance for taking the time to complete the survey.

Sincerely,

/s/

Srinivasa Ponakala

Acting Director, Technology and Program Solutions
