

FY2026 CAP Survey for 2024 CAP Cycle
TPS Director - Reminder Email
Email Date: November

Dear CAP Participant,

This is your **last chance to participate** in an important study on the LB&I Compliance Assurance Process (CAP) program. Your participation is essential to help LB&I improve the CAP process.

Although this survey is voluntary, we hope that you will contribute to this valuable research. Your anonymous response to this **10-minute questionnaire** will be shown in aggregate with those of your contemporaries and will be used to affect real change in the CAP program.

LB&I's Technology and Program Solutions (TPS) organization manages all external surveys for LB&I. As TPS Director, I am asking that you support LB&I's efforts by completing the LB&I CAP Survey, using the following link to access the survey:
