

2022 LB&I Domestic Customer Satisfaction Survey – Online Survey

(INTRO 1)

Thank you for agreeing to take this survey. The Internal Revenue Service (IRS) has asked Pacific Consulting Group (PCG), an independent survey research company, to conduct a survey of medium and large corporations. It is important that the person answering this survey is either the company's Chief Financial Officer (CFO), or the person who is knowledgeable about IRS audits of your company's income tax returns. The survey will take about 10 minutes.

You were randomly selected for this survey from a list of medium and large corporations that have completed an audit cycle between [October 1, 202X and September 30, 202X]. Although the IRS provided PCG with the list, PCG selected the sample and will not divulge company names or survey respondent identities when they provide aggregate data to the IRS. Nobody associated with PCG is an employee of the IRS and any information you provide us will be completely private and anonymous to the extent allowed by law.

The survey is completely voluntary. You do not have to participate. Furthermore, your responses will not be used to select (or non-select) your company for future examinations.

The OMB Clearance Number is 1545-1432. If you have any comments regarding this survey, you may send them to:

Internal Revenue Service, Tax Products Coordinating Committee
Room #IR-6406, 1111 Constitution Ave. NW, Washington, DC 20224.
OR: 513-518-4905 during business hours and ask for Keith Fowler.
