

Email Reminder IRS In-Person Direct Hiring (DH) Event Survey

Hello **&Attendee First Name**,

About a week ago we invited you to participate in a survey about your experiences at the IRS in-person Direct Hiring (DH) event you attended in **&City**.

We want to understand our event attendees' experiences so we can identify ways to improve and make the process easier in the future.

Participation is voluntary. All responses will be combined, and no one will be identified by name. Your answers will be kept confidential. Your input is important and will make a difference.

Will you take a few (about 8) minutes and share your event feedback with us today?
