

## RFS Independent Third-Party List of Potentially Invalid RINs (RFS2301): Instructions for Completing

### Who must report

- All independent third-party auditors that verified RINs, biogas, or biointermediate in a calendar quarter.

### Reporting requirements

- [40 CFR 80.1451\(g\)\(2\)](#) sets forth the reporting requirements for this form.
- Provide a summary of the identifying information for any batches of RINs or biogas/biointermediate that the independent third-party auditor has identified as potentially invalid RINs (PIR) or potentially improperly produced biogas or biointermediate under 40 CFR 80.1474 during the calendar quarter. Submit a separate row for each batch of PIRs or potentially improperly produced biogas or biointermediate.
- If a report field does not apply, enter the value "NA". **Do NOT leave any field blank.**

### Reporting deadlines

- Independent third-party auditors must report on a quarterly basis as follows:

| Calendar Quarter | Time Period Covered     | Quarterly Report Deadline |
|------------------|-------------------------|---------------------------|
| Quarter 1        | January 1 – March 31    | June 1                    |
| Quarter 2        | April 1 – June 30       | September 1               |
| Quarter 3        | July 1 – September 30   | December 1                |
| Quarter 4        | October 1 – December 31 | March 31                  |

### How to submit reports

- Please check the RFS reporting web site for updated instructions and templates:  
<https://www.epa.gov/fuels-registration-reporting-and-compliance-help/reporting-fuel-programs>
- For information on submitting this report using EPA's Central Data Exchange (CDX) visit:  
<https://www.epa.gov/fuels-registration-reporting-and-compliance-help/user-guides-otaqdcfuel-central-data-exchange-cdx>

| 5         | Compliance Year                              |       | <b>YYYY</b> ; <i>Character</i> . Enter the compliance year the report covers.                                                                                                                                                                                                                                                                               |
| 6         | Calendar Quarter                             |       | <p><b>AA</b>; <i>Character</i>. Enter the calendar quarter under the compliance year this report covers:</p> <p><b>Q1:</b> Quarter 1 (January – March)<br/><b>Q2:</b> Quarter 2 (April – June)<br/><b>Q3:</b> Quarter 3 (July – September)<br/><b>Q4:</b> Quarter 4 (October – December)</p>                                                                |
| 7         | Independent Third-Party Auditor Company ID   |       | <b>AAAA</b> ; <i>Character</i> . Enter the EPA-assigned four-character ID for the independent third-party auditor.                                                                                                                                                                                                                                          |
| 8         | Independent Third-Party Auditor Company Name |       | <b>AAAA...</b> ; <i>Character (125 Max)</i> . Enter the registered name of the independent third-party auditor.                                                                                                                                                                                                                                             |
| 9         | Audited Party Company Name                   |       | <b>AAAA...</b> ; <i>Character (125 Max)</i> . Enter the registered name of the audited party.                                                                                                                                                                                                                                                               |
| 10        | Audited Party Company ID                     |       | <b>AAAA</b> . <i>Character</i> . Enter the EPA-assigned four-digit company ID of the audited party.                                                                                                                                                                                                                                                         |
| 11        | Audited Party Facility ID                    |       | <b>AAAAA</b> . <i>Character</i> . Enter the EPA-assigned five-digit facility ID or reporting ID of the audited facility.                                                                                                                                                                                                                                    |
| 12        | RIN or Production Year                       |       | <b>YYYY</b> . <i>Character</i> . For renewable fuel or RNG, enter the RIN year of the individual batch of renewable fuel or RNG. For biogas or biointermediate, enter the year the batch of biogas or biointermediate was produced.                                                                                                                         |
| 13        | Batch ID of the potentially invalid batch    |       | <b>AAAAAA</b> . <i>Character</i> . Enter the six-digit character ID representing the batch identified as potentially invalid.                                                                                                                                                                                                                               |

| Field No. | Field Name                                                                                                                             | Units | Field Formats, Codes & Special Instructions                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

#### Paperwork Reduction Act Statement

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2060-0749). Responses to this collection of information are mandatory (40 CFR part 80). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 1.4 hours per response. Send comments on the Agency’s need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
