

§30111. Standards

(a) **GENERAL REQUIREMENTS.**—The Secretary of Transportation shall prescribe motor vehicle safety standards. Each standard shall be practicable, meet the need for motor vehicle safety, and be stated in objective terms.

(b) **CONSIDERATIONS AND CONSULTATION.**—When prescribing a motor vehicle safety standard under this chapter, the Secretary shall—

- (1) consider relevant available motor vehicle safety information;
- (2) consult with the agency established under the Act of August 20, 1958 (Public Law 85–684, 72 Stat. 635), and other appropriate State or interstate authorities (including legislative committees);
- (3) consider whether a proposed standard is reasonable, practicable, and appropriate for the particular type of motor vehicle or motor vehicle equipment for which it is prescribed; and
- (4) consider the extent to which the standard will carry out section 30101 of this title.

(c) **COOPERATION.**—The Secretary may advise, assist, and cooperate with departments, agencies, and instrumentalities of the United States Government, States, and other public and private agencies in developing motor vehicle safety standards.

(d) **EFFECTIVE DATES OF STANDARDS.**—The Secretary shall specify the effective date of a motor vehicle safety standard prescribed under this chapter in the order prescribing the standard. A standard may not become effective before the 180th day after the standard is prescribed or later than one year after it is prescribed. However, the Secretary may prescribe a different effective date after finding, for good cause shown, that a different effective date is in the public interest and publishing the reasons for the finding.

(e) **5-YEAR PLAN FOR TESTING STANDARDS.**—The Secretary shall establish and periodically review and update on a continuing basis a 5-year plan for testing motor vehicle safety standards prescribed under this chapter that the Secretary considers capable of being tested. In developing the plan and establishing testing priorities, the Secretary shall consider factors the Secretary considers appropriate, consistent with section 30101 of this title and the Secretary's other duties and powers under this chapter. The Secretary may change at any time those priorities to address matters the Secretary considers of greater priority. The initial plan may be the 5-year plan for compliance testing in effect on December 18, 1991.

“SEC. 3. MINIMUM SOUND REQUIREMENT FOR MOTOR VEHICLES.

“(a) RULEMAKING REQUIRED.—Not later than 18 months after the date of enactment of this Act [Jan. 4, 2011] the Secretary shall initiate rulemaking, under section 30111 of title 49, United States Code, to promulgate a motor vehicle safety standard—

“(1) establishing performance requirements for an alert sound that allows blind and other pedestrians to reasonably detect a nearby electric or hybrid vehicle operating below the cross-over speed, if any; and

“(2) requiring new electric or hybrid vehicles to provide an alert sound conforming to the requirements of the motor vehicle safety standard established under this subsection.

“The motor vehicle safety standard established under this subsection shall not require either driver or pedestrian activation of the alert sound and shall allow the pedestrian to reasonably detect a nearby electric or hybrid vehicle in critical operating scenarios including, but not limited to, constant speed, accelerating, or decelerating. The Secretary shall allow manufacturers to provide each vehicle with one or more sounds that comply with the motor vehicle safety standard at the time of manufacture. Further, the Secretary shall require manufacturers to provide, within reasonable manufacturing tolerances, the same sound or set of sounds for all vehicles of the same make and model and shall prohibit manufacturers from providing any mechanism for anyone other than the manufacturer or the dealer to disable, alter, replace, or modify the

sound or set of sounds, except that the manufacturer or dealer may alter, replace, or modify the sound or set of sounds in order to remedy a defect or non-compliance with the motor vehicle safety standard. The Secretary shall promulgate the required motor vehicle safety standard pursuant to this subsection not later than 36 months after the date of enactment of this Act.

“(b) CONSIDERATION.—When conducting the required rulemaking, the Secretary shall—

“(1) determine the minimum level of sound emitted from a motor vehicle that is necessary to provide blind and other pedestrians with the information needed to reasonably detect a nearby electric or hybrid vehicle operating at or below the cross-over speed, if any;

“(2) determine the performance requirements for an alert sound that is recognizable to a pedestrian as a motor vehicle in operation; and

“(3) consider the overall community noise impact.

“(c) PHASE-IN REQUIRED.—The motor vehicle safety standard prescribed pursuant to subsection (a) of this section shall establish a phase-in period for compliance, as determined by the Secretary, and shall require full compliance with the required motor vehicle safety standard for motor vehicles manufactured on or after September 1st of the calendar year that begins 3 years after the date on which the final rule is issued.

“(d) REQUIRED CONSULTATION.—When conducting the required study and rulemaking, the Secretary shall—

“(1) consult with the Environmental Protection Agency to assure that the motor vehicle safety standard is consistent with existing noise requirements overseen by the Agency;

“(2) consult consumer groups representing individuals who are blind;

“(3) consult with automobile manufacturers and professional organizations representing them;

“(4) consult technical standardization organizations responsible for measurement methods such as the Society of Automotive Engineers, the International Organization for Standardization, and the United Nations Economic Commission for Europe, World Forum for Harmonization of Vehicle Regulations.

“(e) REQUIRED STUDY AND REPORT TO CONGRESS.—Not later than 48 months after the date of enactment of this Act, the Secretary shall complete a study and report to Congress as to whether there exists a safety need to apply the motor vehicle safety standard required by subsection (a) to conventional motor vehicles. In the event that the Secretary determines there exists a safety need, the Secretary shall initiate rulemaking under section 30111 of title 49, United States Code, to extend the standard to conventional motor vehicles.

“SEC. 4. FUNDING.

“Notwithstanding any other provision of law, \$2,000,000 of any amounts made available to the Secretary of Transportation under under section 406 of title 23, United States Code, shall be made available to the Administrator of the National Highway Transportation Safety Administration for carrying out section 3 of this Act.”

CHILD SAFETY STANDARDS FOR MOTOR VEHICLES

Pub. L. 110–189, Feb. 28, 2008, 122 Stat. 639, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Cameron Gulbransen Kids Transportation Safety Act of 2007’ or the ‘K.T. Safety Act of 2007’.

“SEC. 2. RULEMAKING REGARDING CHILD SAFETY.

“(a) POWER WINDOW SAFETY.—

“(1) CONSIDERATION OF RULE.—Not later than 18 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary of Transportation (referred to in this Act as the ‘Secretary’) shall initiate a rulemaking to consider prescribing or amending Federal motor vehicle safety standards to require power windows and panels on motor vehicles to automatically reverse direction when such power windows and panels detect an obstruction to prevent children and others from being trapped, injured, or killed.

“(2) DEADLINE FOR DECISION.—If the Secretary determines such safety standards are reasonable, practicable, and appropriate, the Secretary shall prescribe, under section 30111 of title 49, United States Code, the safety standards described in paragraph (1) not later than 30 months after the date of enactment of this Act. If the Secretary determines that no additional safety standards are reasonable, practicable, and appropriate, the Secretary shall—

“(A) not later than 30 months after the date of enactment of this Act, transmit a report to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate describing the reasons such standards were not prescribed; and

“(B) publish and otherwise make available to the public through the Internet and other means (such as the ‘Buying a Safer Car’ brochure) information regarding which vehicles are or are not equipped with power windows and panels that automatically reverse direction when an obstruction is detected.

“(b) REARWARD VISIBILITY.—Not later than 12 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary shall initiate a rulemaking to revise Federal Motor Vehicle Safety Standard 111 (FMVSS 111) to expand the required field of view to enable the driver of a motor vehicle to detect areas behind the motor vehicle to reduce death and injury resulting from backing incidents, particularly incidents involving small children and disabled persons. The Secretary may prescribe different requirements for different types of motor vehicles to expand the required field of view to enable the driver of a motor vehicle to detect areas behind the motor vehicle to reduce death and injury resulting from backing incidents, particularly incidents involving small children and disabled persons. Such standard may be met by the provision of additional mirrors, sensors, cameras, or other technology to expand the driver's field of view. The Secretary shall prescribe final standards pursuant to this subsection not later than 36 months after the date of enactment of this Act.

“(c) PHASE-IN PERIOD.—

“(1) PHASE-IN PERIOD REQUIRED.—The safety standards prescribed pursuant to subsections (a) and (b) shall establish a phase-in period for compliance, as determined by the Secretary, and require full compliance with the safety standards not later than 48 months after the date on which the final rule is issued.

“(2) PHASE-IN PRIORITIES.—In establishing the phase-in period of the rearward visibility safety standards required under subsection (b), the Secretary shall consider whether to require the phase-in according to different types of motor vehicles based on data demonstrating the frequency by which various types of motor vehicles have been involved in backing incidents resulting in injury or death. If the Secretary determines that any type of motor vehicle should be given priority, the Secretary shall issue regulations that specify—

“(A) which type or types of motor vehicles shall be phased-in first; and

“(B) the percentages by which such motor vehicles shall be phased-in.

“(d) PREVENTING MOTOR VEHICLES FROM ROLLING AWAY.—

“(1) REQUIREMENT.—Each motor vehicle with an automatic transmission that includes a ‘park’ position manufactured for sale after September 1, 2010, shall be equipped with a system that requires the service brake to be depressed before the transmission can be shifted out of ‘park’. This system shall function in any starting system key position in which the transmission can be shifted out of ‘park’.

“(2) TREATMENT AS MOTOR VEHICLE SAFETY STANDARD.—A violation of paragraph (1) shall be treated as a violation of a motor vehicle safety standard prescribed under section 30111 of title 49, United States Code, and shall be subject to enforcement by the Secretary under chapter 301 of such title.

“(3) PUBLICATION OF NONCOMPLIANT VEHICLES.—

“(A) INFORMATION SUBMISSION.—Not later than 60 days after the date of the enactment of this Act [Feb. 28, 2008], for the current model year and annually thereafter through 2010, each motor vehicle manufacturer shall transmit to the Secretary the make and model of motor vehicles with automatic transmissions that include a ‘park’ position that do not comply with the requirements of paragraph (1).

“(B) PUBLICATION.—Not later than 30 days after receiving the information submitted under subparagraph (A), the Secretary shall publish and otherwise make available to the public through the Internet and other means the make and model of the applicable motor vehicles that do not comply with the requirements of paragraph (1). Any motor vehicle not included in the publication under this subparagraph shall be presumed to comply with such requirements.

“(e) DEFINITION OF MOTOR VEHICLE.—As used in this Act and for purposes of the motor vehicle safety standards described in subsections (a) and (b), the term ‘motor vehicle’ has the meaning given such term in section 30102(a)(6) of title 49, United States Code, except that such term shall not include—

“(1) a motorcycle or trailer (as such terms are defined in section 571.3 of title 49, Code of Federal Regulations); or

“(2) any motor vehicle that is rated at more than 10,000 pounds gross vehicular weight.

“(f) DATABASE ON INJURIES AND DEATHS IN NONTRAFFIC, NONCRASH EVENTS.—

“(1) IN GENERAL.—Not later than 12 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary shall establish and maintain a database of injuries and deaths in nontraffic, noncrash events involving motor vehicles.

“(2) CONTENTS.—The database established pursuant to paragraph (1) shall include information regarding—

“(A) the number, types, and causes of injuries and deaths resulting from the events described in paragraph (1);

“(B) the make, model, and model year of motor vehicles involved in such events, when practicable; and

“(C) other variables that the Secretary determines will enhance the value of the database.

“(3) AVAILABILITY.—The Secretary shall make the information contained in the database established pursuant to paragraph (1) available to the public through the Internet and other means.

“SEC. 3. CHILD SAFETY INFORMATION PROGRAM.

“(a) IN GENERAL.—Not later than 9 months after the date of the enactment of this Act [Feb. 28, 2008], the Secretary shall provide information about hazards to children in nontraffic, noncrash incident situations by—

“(1) supplementing an existing consumer information program relating to child safety; or

“(2) creating a new consumer information program relating to child safety.

“(b) PROGRAM REQUIREMENTS.—In carrying out the program under subsection (a), the Secretary shall—

“(1) utilize information collected pursuant to section 2(f) regarding nontraffic, noncrash injuries, and other relevant data the Secretary considers appropriate, to establish priorities for the program;

“(2) address ways in which parents and caregivers can reduce risks to small children arising from back over incidents, hyperthermia in closed motor vehicles, accidental actuation of power windows, and any other risks the Secretary determines should be addressed; and

“(3) make information related to the program available to the public through the Internet and other means.

“SEC. 4. DEADLINES.

“If the Secretary determines that the deadlines applicable under this Act cannot be met, the Secretary shall—

“(1) establish new deadlines; and

“(2) notify the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate of the new deadlines and describing the reasons the deadlines specified under this Act could not be met.”

IMPROVING CRITERIA USED IN A RECALL

Pub. L. 106–414, §15, Nov. 1, 2000, 114 Stat. 1808, provided that:

“(a) REVIEW OF STANDARDS AND CRITERIA USED IN OPENING A DEFECT OR NONCOMPLIANCE INVESTIGATION.—The Secretary shall, not later than 30 days after the date of the enactment of this Act [Nov. 1, 2000], undertake a comprehensive review of all standards, criteria, procedures, and methods, including data management and analysis used by the National Highway Traffic Safety Administration in determining whether to open a defect or noncompliance investigation pursuant to subchapter II or IV of chapter 301 of title 49, United States Code, and shall undertake such steps as may be necessary to update and improve such standards, criteria, procedures, or methods, including data management and analysis.

“(b) REPORT TO CONGRESS.—Not later than 1 year after the date of the enactment of this Act [Nov. 1, 2000], the Secretary shall transmit to the Committee on Commerce [now Committee on Energy and Commerce] of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report describing the Secretary's findings and actions under subsection (a).”

§30112. Prohibitions on manufacturing, selling, and importing noncomplying motor vehicles and equipment

(a) GENERAL.—(1) Except as provided in this section, sections 30113 and 30114 of this title, and subchapter III of this chapter, a person may not manufacture for sale, sell, offer for sale, introduce or deliver for introduction in interstate commerce, or import into the United States, any motor vehicle or motor vehicle equipment manufactured on or after the date an applicable motor vehicle safety standard prescribed under this chapter takes effect unless the vehicle or equipment complies with the standard and is covered by a certification issued under section 30115 of this title.

(2) Except as provided in this section, sections 30113 and 30114 of this title, and subchapter III of this chapter, a school or school system may not purchase or lease a new 15-passenger van if it will be used significantly by, or on behalf of, the school or school system to transport preprimary, primary, or secondary school students to or from school or an event related to school, unless the 15-passenger van complies with the motor vehicle standards prescribed for school buses and multifunction school activity buses under this title. AMENDMENTS

2005—Subsec. (a). Pub. L. 109–59, which directed amendment of section 30112(a), without specifying the title to be amended, by designating existing provisions as par. (1) and adding par. (2), was executed to this section, to reflect the probable intent of Congress.

§30117. Providing information to, and maintaining records on, purchasers

(a) PROVIDING INFORMATION AND NOTICE.—The Secretary of Transportation may require that each manufacturer of a motor vehicle or motor vehicle equipment provide technical information related to performance and safety required to carry out this chapter. The Secretary may require the manufacturer to give the following notice of that information when the Secretary decides it is necessary:

(1) to each prospective purchaser of a vehicle or equipment before the first sale other than for resale at each location at which the vehicle or equipment is offered for sale by a person having a legal relationship with the manufacturer, in a way the Secretary decides is appropriate.

(2) to the first purchaser of a vehicle or equipment other than for resale when the vehicle or equipment is bought, in printed matter placed in the vehicle or attached to or accompanying the equipment.

(b) MAINTAINING PURCHASER RECORDS AND PROCEDURES.—(1) A manufacturer of a motor vehicle or tire (except a retreaded tire) shall cause to be maintained a record of the name and address of the first purchaser of each vehicle or tire it produces and, to the extent prescribed by regulations of the Secretary, shall cause to be maintained a record of the name and address of the first purchaser of replacement equipment (except a tire) that the manufacturer produces. The Secretary may prescribe by regulation the records to be maintained and reasonable procedures for maintaining the records under this subsection, including procedures to be followed by distributors and dealers to assist the manufacturer in obtaining the information required by this subsection. A procedure shall be reasonable for the type of vehicle or tire involved, and shall provide reasonable assurance that a customer list of a distributor or dealer, or similar information, will be made available to a person (except the distributor or dealer) only when necessary to carry out this subsection and sections 30118–30121, 30166(f), and 30167(a) and (b) of this title. Availability of assistance from a distributor or dealer does not affect an obligation of a manufacturer under this subsection.

(2)(A) Except as provided in paragraph (3) of this subsection, the Secretary may require a distributor or dealer to maintain a record under paragraph (1) of this subsection only if the business of the distributor or dealer is owned or controlled by a manufacturer of tires.

(B) The Secretary shall require each distributor and dealer whose business is not owned or controlled by a manufacturer of tires to give a registration form (containing the tire identification number) to the first purchaser of a tire. The Secretary shall prescribe the form, which shall be standardized for all tires and designed to allow the purchaser to complete and return it directly to the manufacturer of the tire. The manufacturer shall give sufficient copies of forms to distributors and dealers.

(3)(A) The Secretary shall evaluate from time to time how successful the procedures under paragraph (2) of this subsection have been in helping to maintain records about first purchasers of tires. After each evaluation, the Secretary shall decide—

(i) the extent to which distributors and dealers have complied with the procedures;

(ii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires; and

(iii) whether to prescribe for manufacturers, distributors, or dealers other requirements that the Secretary decides will increase significantly the percentage of first purchasers of tires about whom records are maintained.

(B) The Secretary may prescribe a requirement under subparagraph (A) of this paragraph only if the Secretary decides it is necessary to reduce the risk to motor vehicle safety, after considering—

(i) the cost of the requirement to manufacturers and the burden of the requirement on distributors and dealers, compared to the increase in the percentage of first purchasers of tires about whom records would be maintained as a result of the requirement;

(ii) the extent to which distributors and dealers have complied with the procedures in paragraph (2) of this subsection; and

(iii) the extent to which distributors and dealers have encouraged first purchasers of tires to register the tires.

(C) A manufacturer of tires shall reimburse distributors and dealers of that manufacturer's tires for all reasonable costs incurred by the distributors and dealers in complying with a requirement prescribed by the Secretary under subparagraph (A) of this paragraph.

(D) After making a decision under subparagraph (A) of this paragraph, the Secretary shall submit to each House of Congress a report containing a detailed statement of the decision and an explanation of the reasons for the decision.

(c) ROLLOVER TESTS.—

(1) DEVELOPMENT.—Not later than 2 years from the date of the enactment of this subsection, the Secretary shall—

(A) develop a dynamic test on rollovers by motor vehicles for the purposes of a consumer information program; and

(B) carry out a program of conducting such tests.

(2) TEST RESULTS.—As the Secretary develops a test under paragraph (1)(A), the Secretary shall conduct a rulemaking to determine how best to disseminate test results to the public.
