The Federal Transit Administration's (FTA) Public Transportation Safety Certification Training Program (PTSCTP) final rule (49 C.F.R. Part 672) provides participants with the opportunity to request credit for coursework/training obtained through an entity other than FTA.

Note: A form must be completed for each course/training for which you are seeking equivalency credit.

STEP 1: COMPLETE THIS REQUEST FORM.

Fill out each section in full. An incomplete or incorrectly completed form may result in delayed evaluation. The non-FTA course/training must meet or exceed FTA's PTSCTP course objectives and training hours requirements.

STEP 2: GATHER THE REQUIRED DOCUMENTATION.

Official documentation of coursework/training is required for FTA's evaluation of the request for equivalency credit. Required documentation includes:

- Copy of transcript and/or certificate of completion
- Course/training description
- List of course/training objectives

You may include other documentation that would help FTA in evaluating your request. (See section 3.)

STEP 3: SUBMIT THE COMPLETED FORM AND REQUIRED DOCUMENTATION.

Email the completed and signed form and the required documentation to FTASafetyPromotion@dot.gov

FTA will evaluate your request and supporting documentation and will notify you of its decision within 60 days of the receipt of your submission. If your request is denied, you will be provided with an explanation and the recommended next steps.
