# DEFINITIONS OF E-COMMERCE SALES, AUXILIARY ESTABLISHMENTS, LEASED DEPARTMENTS AND CONCESSIONS

- E-commerce is the sale of goods and services where the buyer places an order, or the price and terms of the sale are negotiated, over an Internet, mobile device (M-Commerce), extranet, EDI network, electronic mail, or other comparable online system. Payment may or may not be made online.
- Auxiliary Establishments are facilities primarily engaged in furnishing supporting services (such as warehouses, garages and central administrative offices) to this firm's establishments.
- Leased Departments and Concessions are separate businesses that lease space on the premises of another business.

# DEFINITIONS OF E-COMMERCE SALES, AUXILIARY ESTABLISHMENTS, LEASED DEPARTMENTS AND CONCESSIONS

- E-commerce is the sale of goods and services where the buyer places an order, or the price and terms of the sale are negotiated, over an Internet, mobile device (M-Commerce), extranet, EDI network, electronic mail, or other comparable online system. Payment may or may not be made online.
- Auxiliary Establishments are facilities primarily engaged in furnishing supporting services (such as warehouses, garages and central administrative offices) to this EIN's establishments.
- Leased Departments and Concessions are separate businesses that lease space on the premises of another business.

- E-commerce is the sale of goods and services where the buyer places an order, or the price and terms of the sale are negotiated, over an Internet, mobile device (M-Commerce), extranet, EDI network, electronic mail, or other comparable online system. Payment may or may not be made online.
- Auxiliary Establishments are facilities primarily engaged in furnishing supporting services (such as warehouses, garages and central administrative offices) to this firm's establishments.
- Leased Departments and Concessions are separate businesses that lease space on the premises of another business.
