Instructor Interview Invitation Email

TO: [Prime for Life 4.5 Course Instructors]

FROM: Marine-Wellness-Survey@norc.org

SUBJECT: Invitation to Participate in Prime for Life 4.5 Implementation Discussion

Greetings,

The DoD and U.S. Marine Corps (USMC) have partnered with NORC at the University of Chicago (NORC), an objective, nonpartisan research organization, to support an evaluation of the PFL 4.5 prevention education course. **As part of the evaluation, PFL 4.5 instructors are being invited to participate in discussions to better understand their experiences implementing the PFL 4.5 course.**

Please take a minute to schedule your Prime for Life 4.5 (PFL 4.5) implementation discussion by visiting the Calendly website: [INSERT CALENDLY LINK].

You are being invited to participate in a **45-minute** discussion to aid USMC in their future implementation of the course. During the session, we will talk about your training and experiences as a PFL 4.5 course instructor, and your thoughts on the potential value of providing the course to all early career Marines.

These individual discussions will be held virtually via Microsoft Teams. The discussion will not be recorded, and your responses will remain confidential and private.

If none of the times in Calendly work for you or if you would like to learn more about the discussions before signing up, please respond to this email or contact the NORC project team at Marine-Wellness-Survey@norc.org.

We look forward to speaking with you soon!

Respectfully,

The Prime for Life 4.5 Evaluation Team
