

SUPPORTING STATEMENT - PART A

Marine Corps Installations Pacific School Visit Program Application

OMB Control Number 0712-SVPA

1. Need for the Information Collection

Information collection via the MCIPAC-MCBB Form 5726/1, "School Visit Program Application" is necessary to allow local Japanese students to request to visit Marine Corps Bases in Okinawa. The information will be used as part of the school visit program to tailor the specific needs of students when visiting U.S. bases. The form is prepared by the MCIPAC-MCBB, G-7 School Visit Program Manager and filled out by the requesting school's staff facilitators.

The MCIPAC-MCBB G-7 facilitates a school visit program for Host Nation Japanese school students. The program is designed to allow school age children an opportunity to experience American culture and familiarize themselves with the mission of the U.S. Military.

Authorities to collect the information:

- 10 U.S.C. 8013, Secretary of the Navy
- 10 U.S.C. 8041, Headquarters, Marine Corps
- MCIPAC-MCBBO 5000.1A, Marine Corps Installations Pacific Staff Regulations, Chapter 9, G-7 Division: Government and External Affairs

2. Use of the Information

Respondents are school administrators at Japanese schools who want to visit U.S. Military bases with their students. School administrators contact the G-7 to start the application process. Administrators are sent the PDF School Visit Program Application form via email and may complete it electronically or print it out to fill in the required information. Most respondents complete the form electronically and return it to via email. In all other cases, the form is hand-delivered to the G-7 office. Once the request is submitted, and the visit is conducted, the form will be stored electronically in our SharePoint page with limited access. The successful effect of the information collection is the facilitation of a school visit that is tailored to the needs and desires of the school administrators and students.

3. Use of Information Technology

Approximately 90 percent of responses are submitted electronically via email.

4. Non-duplication

The information obtained through this collection is unique and is not already available for use or adaptation from another cleared source.

5. Burden on Small Businesses

This information collection does not impose a significant economic impact on a substantial number of small businesses or entities.

6. Less Frequent Collection
