Paperwork Reduction Act Statement: The Paperwork Reduction Act of 1995 provides that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0910-####. The time required to complete this information collection is estimated to average 6 minutes per response. Send comments regarding this burden estimate or any other aspects of this collection of information, including suggestions for reducing burden to [PRASStaff@fda.hhs.gov](mailto:PRASStaff@fda.hhs.gov).

The survey we are conducting is on behalf of the U.S. Food and Drug Administration (FDA).

Dear stakeholders:

FDA's Office of Compliance would like to invite you to participate in the agency's DSCSA Small Dispensers Assessment. For more information, please see our webpage [Drug Supply Chain Security Act \(DSCSA\) Assessment of Small Dispensers | FDA](#). If you are a small dispenser with 25 or fewer full-time employees or an entity representing a small dispenser (with 25 or fewer full-time employees), you may access the assessment questionnaire by clicking on the link in the upper right corner of the webpage.

We look forward to receiving your responses to the assessment questionnaire.

Thank you,

[Contractor or Office of Compliance, U.S. Food and Drug Administration]
