SUBJECT: (Month/Year) MPEP Final Report

Dear MPEP Participant,

The (Month/Year) MPEP Final Report is now available.

The report can be viewed on the MPEP Reports webpage at

https://www.cdc.gov/tb/php/laboratory-information/model-performance-evaluation-program.html?CDC_AAref_Val=https://www.cdc.gov/tb/topic/laboratory/mpep/default.htm

The aggregate report is prepared in a format that will allow laboratories to compare their results with results obtained by other participants for the same isolates using the same method(s) and drugs. We encourage you to circulate this report to personnel who are involved with drug susceptibility testing, reporting, or interpretation of results for *Mycobacterium tuberculosis* complex isolates.

If you have any comments or questions on the results in this report, please contact us at TBMPEP@CDC.GOV.

Thanks,

TB MPEP Team
