CMS Response to Public Comments Received for CMS-R-72

The Centers for Medicare and Medicaid Services (CMS) received one comment from an individual. This is the response to the comment received.

Comment:

CMS received a comment from an anonymous source. The commenter indicated that the government has violated the law concerning some matter involving the commenter and his/her family.

Response:

CMS thanks the commenter. The comment is out of scope of the proposed information collection and therefore cannot be addressed.
