INSTRUCTIONS FOR LETTER OF TRANSMITTAL REQUESTING REGISTRATION

PURPOSE OF THE FORM:

The Letter of Transmittal Requesting Registration is completed by the initiating jurisdiction to request registration of an existing order for enforcement and/or modification in the responding jurisdiction. The purpose of the form is to provide specific order information to the responding jurisdiction. This form can be used in IV-D and non-IV-D intergovernmental cases. It should be included with the other appropriate forms and, in IV-D cases, directed to the responding jurisdiction's central registry.

THIS FORM CONTAINS SENSITIVE INFORMATION – DO NOT FILE THIS FORM IN A PUBLIC ACCESS FILE.

This form includes information that may pose a significant risk to an individual if made available in a public forum or inappropriately disclosed. This form may be filed with the tribunal, but should not be filed or included in a record available to the general public. The information on this form may be disclosed to the parties in the case, unless accompanied by a nondisclosure finding/affidavit.

If you are not the intended recipient, you are hereby notified that any use, disclosure, distribution, or copying of this form or its contents is strictly prohibited.

To open an intergovernmental IV-D case, attach a Transmittal #1 and the Child Support Agency Confidential Information Form.

Italicized text that appears within a "box" refers to policy or provides additional information.

For an address outside the United States, be sure to include the foreign country and postal code.

Tribal IV-D programs may choose to use the federal Intergovernmental forms. However, they are not required to use or accept such forms. If you have any questions, contact the tribal IV-D agency directly using the contact information on the OCSE website.

Where forms request a locator code, note that tribal locator codes uniquely identify tribal cases with "9" in the first position, 0 (zero) in the second position, and then a 3-character tribal code defined by the Bureau of Indian Affairs (BIA).

HEADING/CAPTION:

In the appropriate spaces, if applicable and if known, enter the responding jurisdiction's IV-D case identifier and tribunal number.

The responding jurisdiction is the jurisdiction that is working the case at the request of the initiating jurisdiction. Under "IV-D case identifier," enter the number/identifier identical to the one submitted on the Federal Case Registry, which is a left-justified up to 15-character alphanumeric field, allowing all characters except asterisk and backslash, and with all characters in uppercase. Under "tribunal number," you may enter the docket number, cause number, or any other appropriate reference number that the responding tribunal may use to identify the case, if known.

In the appropriate spaces, enter the Initiating jurisdiction's IV-D case identifier, and, if applicable, tribunal number.

The initiating jurisdiction is the jurisdiction that referred the case to the responding jurisdiction for services. Under "IV-D case identifier," enter the number/identifier identical to the one submitted on the Federal Case Registry, which is a left-justified up to 15-character alphanumeric field, allowing all characters except asterisk and backslash, and with all characters in uppercase. Under "tribunal number," you may enter the docket number, cause number, or any other appropriate reference number that the initiating tribunal has assigned to the case.

ACTION:

Check the appropriate box indicating whether you are registering this order for enforcement, enforcement of arrears only, modification, or modification and enforcement. If registering the order for enforcement of arrears only, check the appropriate box(es) for assigned arrears and/or non-assigned arrears.

In the “NOTE” section, check any of the following that apply:

- **Nondisclosure Finding/Affidavit attached** - If there is a finding prohibiting disclosure of a party's or child(ren)'s address/identifying information or an affidavit alleging that disclosure of such information would result in risk of harm, check the box for “Nondisclosure Finding/Affidavit attached” and attach a copy of the finding/affidavit in accordance with section 312 of UIFSA. If there is a finding/affidavit prohibiting disclosure, the information must be sealed and may not be disclosed to the other party or the public. You may provide the address of the IV-D agency as a substitute address for the protected party.

UIFSA requires that the petition or accompanying documents include certain identifying information regarding the parties and child(ren) (e.g., residential address, Social Security Number) unless a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of such information. In that event, the information must be sealed.

If a jurisdiction has reason to believe that information should not be released because of safety concerns, it should ensure that there is a nondisclosure finding or an allegation in an affidavit or the pleading that disclosure of identifying information would result in a risk of harm, as provided under section 312 of UIFSA. In addition to identifying information included on this form, it may be appropriate to submit certain financial information under seal.

- **This form sent through EDE** - Check if this form was sent through the Electronic Document Exchange (EDE).

CSENet and EDE transactions are the recommended methods for making requests or sending information to another state. If CSENet is not listed as an option on the form, then it cannot be used to convey any of the requests or information provided on the form.

Supporting documentation should be sent through EDE, whenever possible.
