

MPC will also be integrating I94 application and payments, in stages. Initially MPC will provide a link and a prompt to the public I94 website where MPC participants can apply and pay for their I94, if their information provided to MPC indicates they need a I94. Once communication is established between MPC and the public I94 website, biographical information (name, DOB, passport number, ext.) already provided to MPC by the traveler will be prepopulated into the I94 website for fast and more consistent applications. Eventually applicants will be able to both apply for and pay for their I94 without leaving the MPC app.

Overview of This Information Collection

Title: Application for Foreign-Trade Zone Admission and/or Status Designation, and Application for Foreign-Trade Zone Activity Permit.

OMB Number: 1651–0029.

Form Number: 214, 214A, 214B, 241C, 216.

Abstract: Foreign trade zones (FTZs) are geographical enclaves located within the geographical limits of the United States, but for tariff purposes are considered to be outside of the United States. Imported merchandise may be brought into FTZs for storage,

manipulation, manufacture, or other processing and subsequent removal for exportation, consumption in the United States, or destruction. A company bringing goods into an FTZ has a choice of zone status (privileged/non-privileged foreign, domestic, or zone-restricted), which affects the way such goods are treated by Customs and Border Protection (CBP) and treated for tariff purposes upon entry into the customs territory of the United States.

CBP Forms 214, 214A, 214B, and 214C, which make up the Application for Foreign-Trade Zone Admission and/or Status Designation, are used by companies that bring merchandise, except in certain circumstances including, but not limited to, domestic status merchandise, into an FTZ to register the admission of such merchandise into FTZs and to apply for the appropriate zone status. Form 214A is not filled out separately by respondents; it is simply a copy of Form 214 that CBP gives to the Census Bureau. Form 214B is a continuation sheet for Form 214 that respondents use when they need more room to add line items to the form. Form 214C is a continuation sheet for Form 214A that respondents use when they need more room to add line items to the form.

CBP Form 216, Foreign-Trade Zone Activity Permit, is used by companies to request approval to manipulate, manufacture, exhibit, or destroy merchandise in an FTZ.

These FTZ forms are authorized by 19 U.S.C. 81 and provided for by 19 CFR 146.22, 146.32, 146.35, 146.36, 146.37, 146.39, 146.40, 146.41, 146.44, 146.52, 146.53, and 146.66. These forms are accessible at: <http://www.cbp.gov/newsroom/publications/forms>.
