

**Non- Substantial OMB Justification:**  
**RI 92-22 (March 2026 Edition)**  
***FERS Annuity Supplement Earnings Report***

Form RI 92-22 has been revised for the current tax year. The annuitant must complete the form if allowable earnings exceeded more than \$23,400 in 2025. The exempt amount for 2026 increases to \$24,480. If exceeded, OPM will reduce the individual's FERS Annuity Supplement one dollar for every two dollars by which the annuitant exceeds the exempt amount for 2025.
