Title: Request for Approval to Sell Capital Assets.

OMB Control Number: 0572-0020.

Type of Request: Revision of a currently approved information collection.

Abstract: The RUS is a credit agency of the USDA. It makes mortgage loans and loan guarantees to finance electric, telecommunications, and water and waste facilities in rural areas. In addition to providing loans and loan guarantees, one of the Agency's main

objectives is to safeguard loan security until the loan is repaid. When a borrower enters into the mortgage agreement with the Agency, all current and future capital assets of the borrower are ordinarily mortgaged or pledged to the Federal Government as security for Agency loans. The Agency's policy on sales of capital assets requires that the sale meet several requirements including the following: (1) the selling price shall be greater than or equal to the fair market value; and (2) the sale shall not jeopardize the repayment of the Agency's loan.

The selling of assets reduces the security and increases the risk to the government. RUS Form 369 allows the borrower to seek agency permission to sell some of its assets. The form collects detailed information regarding the proposed sales of a portion of the borrower's systems. RUS electric utility borrowers complete this form to request RUS approval in order to sell capital assets when the fair market value exceeds 10 percent of the borrower's net utility plant.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 2.074 hours per response.

Respondents: Nonprofit corporations and institutions of higher education.

Estimated Number of Respondents: 35.

Estimated Number of Responses per Respondent: 2.31.

Estimated Number of Responses: 81.

Estimated Total Annual Burden on Respondents: 168 hours.

Copies of this information collection can be obtained from Adyam Negasi, RD Innovation Center—Regulations Management Division, Telephone: 202–211–9298, email: adyam.negasi@usda.gov.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
