#### FREE CLINICS FTCA PROGRAM APPLICATION

The following tables provide the information that will be collected in the initial, redeeming, and supplemental deeming sponsorship applications through the EHBs:

(This application is illustrative and the actual application may appear differently inHRSA's Electronic Handbooks (EHBs) System)

Public Burden Statement: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0906-0090 and it expires 5/31/2027. This information collection combines three separate ICRs to increase efficiencies, decrease burden on stakeholders, and allow commenters to easily provide feedback where applicable commonalities may impact all three ICRs. The three ICRs are the Application for Health Center Program Recipients for Deemed PHS Employment with Liability Protections Under the FTCA, Application for Deemed Health Center Program Award Recipients and the FTCA Program Deeming Sponsorship Applications for Free Clinics. The Health Center Program and Health Center FTCA Program are administered by HRSA. Health centers submit deeming applications annually to HRSA in the prescribed form and manner in order to obtain deemed PHS employee status, with the associated eligibility for FTCA coverage. Such applications must be approved by HRSA in a Notice of Deeming Action. Deemed health centers must resubmit applications annually meeting all deeming requirements in order to maintain deemed status. The time required to complete this information collection is estimated to average less than 2.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, to review and complete the information collection. This information collection is voluntary and confidentiality is followed according to law. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 13N82, Rockville, MD or paperwork@hrsa.gov. Please see https://www.hrsa.gov/about/508-resources for the HRSA digital accessibility statement.
