PATIENT SAFETY ORGANIZATION: TWO BONA FIDE CONTRACTS REQUIREMENT

The Patient Safety and Quality Improvement Act of 2005 (Patient Safety Act) authorizes the creation of Patient Safety Organizations (PSOs). The Agency for Healthcare Research and Quality (AHRQ), of the Department of Health and Human Services (HHS), administers the provisions of the Patient Safety Act and Patient Safety Rule dealing with PSO operations. Information related to PSOs is available on AHRQ's PSO website at www.pso.ahrq.gov. All references to Secretary within this form refer to the Secretary of HHS.

Please review the Patient Safety Act and Patient Safety Rule, especially the definition of bona fide contract in section 3.20 and sections 3.102(d)(1) and 3.104(b) of the Patient Safety Rule. To remain listed, a PSO must comply with all of the Patient Safety Rule's requirements, including the requirement to have two bona fide contracts in effect for the purpose of receiving and reviewing patient safety work product (PSWP), within each 24-month period after the PSO's initial date of listing. Contracts entered into after midnight of the last day of a PSO's 24-month assessment period cannot be counted toward meeting the two contract requirement for that 24-month period.

A PSO is also required to provide notice that it has met this requirement by submitting this form once during every 24-month period after its initial date of listing. PSOs are encouraged to submit the form as soon as the requirement is met during each 24-month period.

Do not submit copies of the contracts with this form unless requested by AHRQ.

Whether the PSO has met the minimum contract requirement or not, this form must be received no later than 45 days before the last day of each 24-month assessment period. If the PSO reports that it has not yet met the two bona fide contracts requirement, or fails to file this form by the required date, the Secretary will issue a notice of a preliminary finding of deficiency, and the PSO will be given a correction period until midnight of the last day of its 24-month assessment period to meet the minimum contract requirement. The issuance of such a notice for this purpose does not change the entity's status as a PSO during this correction period. Failure to submit this form certifying compliance with the two bona fide contracts requirement by midnight of the last day of the 24-month assessment period will trigger the process for revoking the Secretary's acceptance of a PSO's certification and the delisting of the PSO.

Please submit this form to AHRQ's PSO Office via email, at psa@ahrq.hhs.gov. To submit a hard copy, please send to: PSO Office, AHRQ, 5600 Fishers Lane, MS 06N100B, Rockville, MD 20857. ***This form must be signed by the Authorized Official.***
