Bidder #: 21-1445107
 CBA: Aiken & Edgefield Counties, SC
 Product Category: Hospital Beds
 PTAN(s): 7169150001

You must provide your bid price for the lead item (identified by the Healthcare Common Procedure Coding System (HCPCS) code) listed for this product category.

Bid Chart Descriptions and Instructions:

- **HCPCS** - Healthcare Common Procedure Coding System is a standardized coding system that is used primarily to identify products, supplies, and services.
- **Item Description** - Short narrative description of each lead item HCPCS code. For a long description, go to the [CBIC website](#) and use the HCPCS Lookup tool on the top navigation bar.
- **Type of Bid (Rental or Purchase)** - Indicates whether your bid should be for the purchase or monthly rental of the lead item (identified by the HCPCS code). In most cases you must submit a bid amount that represents the purchase price of the new item even if that item is routinely paid for on a monthly rental.
 - If "Purchase" is indicated, enter a bid amount for total purchase of the item.
 - If "Rental" is indicated, enter a bid price for one month's rental of the item. It is very important that you review your bid amount and ensure it was entered correctly.
- **Bid Limit** - Indicates the 2019 unadjusted fee schedule amount for the lead item HCPCS code in this CBA. For the lead item only, you must provide a bid price that is less than or equal to this amount. For more information, please see the [bid limit files](#) available on the CBIC website.
- **Bid Price** - You must indicate your bid price for the lead item in this field. Your bid price must be a bona fide bid amount. The price submitted must be rational, feasible, supportable, and reflect all costs associated with providing the lead item and services. If requested, you must be able to provide supporting documentation, such as a manufacturer's invoice, and a rationale that verifies you can furnish the lead item to the beneficiary for the bid price. The bid price you submit must include the cost of furnishing the lead item throughout the CBA (except for skilled nursing facilities and nursing facilities that elect to participate as specialty suppliers) for the duration of the contract period. Refer to the [Bid Preparation Worksheet\(s\)](#) and the [Requirement to Submit a Bona Fide Bid fact sheet](#) for the definition of a unit and additional bidding information. Refer to the [Lead Item Pricing Calculator](#) for the lead item's bid amount impact on the non-lead items for the product category.
