CMS Response to Public Comments Received for CMS-10511

The Centers for Medicare and Medicaid Services (CMS) received one comment from an individual. This is the response to the comment received.

Comment:

CMS received a comment from an individual who suggested the federal government reconsider the proposal to cancel Commercial Driver's License (CDL) and non-CDL licenses to protect CDL holders whose careers, families, and futures depend on this license.

Response:

CMS thanks the commenter. However, the comment is not related to the information collections that are subject to the Paperwork Reduction Act (PRA).
