Docket ID: OSHA-2010-0022-0017

Comment from Private Citizen Heather Rulka:

I believe it is appropriate for OSHA to have the Office of Management and Budget (OMB) extend the approval for its Student Data Form (OSHA Form 182) for an increase to 175 from 167. This 8-hour increase is a must due to a rise in the number of students enrolling in the OSHA Institute, which requires additional administrative work for the form. I want to thank OSHA for all their hard work in ensuring safe and healthy work conditions for American workers.
