Thank you for offering a preview of the new 1098-VLI form. I just have one comment/suggestion.

VINs have 17 digits so I'm concerned that fitting so many digits in the small 2d box will make them quite difficult to read. If there's a way to make ther 2d box the size of box 1, I think that would be much better.

Thank you for the opportunity to comment. Have a safe and happy Thanksgiving!

Sandra
