

CHEMICAL INFORMATION SUBMISSION SYSTEM

TSCA Section 8(a) - PFAS

OK

The Section 8(a) Asbestos application or component that will support the new rule following EPA's June 2016 designation of Asbestos as one the first ten chemicals to undergo risk evaluation under the Toxic Substances Control Act (TSCA). The Asbestos application/component will collect data related to the use of asbestos (including other types of asbestos fibers in addition to chrysotile), legacy uses and associated disposals, as well as any conditions of use of asbestos in talc and talc-containing products.

Paperwork Reduction Act Notice

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2070-0217). Responses to this collection of information are mandatory (40 CFR 700). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 89 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address."

Authority

The Government Paperwork Elimination Act (GPEA) (44 U.S.C. 3504) provides that, when practicable, Federal organizations use electronic forms, electronic filings, and electronic signatures to conduct official business with the public.

Section 8(a)(7)

Welcome to the 8(a)(7) application. Create a 8(a)(7) form for reporting under TSCA 8(a)(7) by clicking the **Create New Form** button. Once the form has been created, select the icon to modify the form. After the form is submitted, a icon indicates that the submission is being processed. When the form is received by EPA, the icon allows a user to download a copy of the submission.

To manage the access rights of Supports per site, the Authorized Official may assign the forms via the **User Management** tab.

Primary Authorized Official

A Primary Authorized Official has the ability to create, amend, unlock, and submit the primary 8(a)(7) form electronically to EPA. The Primary Authorized Official also has the ability to assign Supports to individual sites. To assign a Primary Agent/Consultant use the Role Sponsorship tab in CDX.

Section 8(a)(7)

Create Passphrase

New Passphrase

8-20 characters, no special characters

Confirm Passphrase

⚠ You are responsible for remembering your passphrase!

If you forget the passphrase and are the creator of the form, click the **Reset Passphrase** button, which appears after the third failed attempt, to generate and send an email with a temporary passphrase with the passphrase change request. If you are not, contact the Authorized Official or Agent Consultant who created the passphrase to request the updated passphrase.

Passphrase Hint: Enter a word that can be used to remember your passphrase.

Message

As the Authorized Official of CGI FEDERAL, I have identified you as a Secondary Submitter of a joint submission for the 8(a)(7). Please use the 8(a)(7) application to provide the correct chemical identifier information for the trade product name provided in this email. See the instructions below for accessing the 8(a)(7) application. You will need to use the unique identifier number to complete the Trade Product Name section of the form.

Trade Product Name: Filler Text

Unique Identifier: [Will be generated once email is sent.]

Visit [URL-HERE] for information regarding the 8(a)(7) program, how to access the 8(a)(7) application, and instructions for reporting under the 8(a)(7) rule. For additional information or if you believe that you have received this email in error, please contact me.

	5187-15-3	Perfluorobutanesulfonate		
	29420-49-3	Potassium perfluorobutane sulfonate		

Please ensure that your CBI claims are substantiated at the time of submission. If you fail to provide the appropriate substantiation at the time of submission, then the claim may be rejected and data may be published as non-CBI.

CBI Substantiation

A. REQUIRED FOR ANY IDENTIFIED CBI CLAIM [Company Information]

For each data element (or information supplied in a petition submitted under § 711.6(b)(2)(iii)(A) or § 711.10(d)(1)(ii)(A)) that is claimed as confidential, you must submit with your report detailed written answers to the following questions:

1. Will disclosure of the information claimed as confidential likely cause substantial harm to your business's competitive position? If you answered yes, describe the substantial harmful effects that would likely result to your competitive position if the information is disclosed, including how a competitor could use such information and the causal relationship between the disclosure and the harmful effects.

☐ Yes ☐ No

☐ CBI

Characters Remaining: 2980

2. To the extent your business has disclosed the information to others (both internally and externally), has your business taken precautions to protect
