

3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Title: Response to Notification of Termination of Exemptive Relief Issued Pursuant to Regulation 30.10 (OMB Control No. 3038–0116). This is a request for extension of a currently approved information collection.

Abstract: Commission regulation 30.10 provides a process by which persons located outside the U.S. and subject to a comparable regulatory structure in the jurisdiction in which they are located to seek an exemption from certain of the requirements under Part 30 of the Commission's regulations. Regulation 30.10 codifies the process by which the Commission may terminate such exemptive relief after appropriate notice and opportunity to respond. Regulation 30.10(c)(3) provides any party affected by the Commission's determination to terminate relief with the opportunity to respond to the notification in writing no later than 30 business days following the receipt of the notification, or at such time as the Commission permits in writing. These reporting requirements are necessary for the ongoing evaluation of the effectiveness of the Commission's program for regulatory deference.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of

information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.¹

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the ICR will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

Burden Statement: The Commission is not revising its original estimate of the burden for this proposed renewal of collection. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 1.
Estimated Average Burden Hours per Respondent: 8.

Estimated Total Annual Burden Hours: 8.

Frequency of Collection: Once.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: January 16, 2026.

Robert Sidman,

Deputy Secretary of the Commission.
