### Why am I getting this letter?

Enclosed is your January 2023 Catfish Production Survey. Your participation is important. This survey collects information on water acreage, inventory, and sales. The information helps evaluate conditions from year to year and promote programs designed to ensure the viability of catfish producers. Please complete and return the questionnaire at your earliest convenience.

**If we do not receive your completed questionnaire by December 27, we  contact you for an interview.**

### What do I do next?

Complete your survey in one of the following ways:

 **Online** at [agcounts.usda.gov](https://agcounts.usda.gov) through the Respondent Portal. **Online reporting is fast and secure.** You just need your unique survey code on the enclosed form to begin.

 **By mail or fax.** Complete the questionnaire and mail it back in the prepaid return envelope provided or fax it to 855-415-3687.

We recommend you respond online through the new Respondent Portal. On the portal, you can complete your surveys, track upcoming surveys, access data visualizations and reports of interest, link to other USDA agencies, and more.

The information you provide will be used for statistical purposes only. In accordance with federal law, your responses will be kept confidential and will not be disclosed in identifiable form. We will publish the survey data February 10, 2023, in the *Catfish Production* report available at [www.nass.usda.gov/publications](https://www.nass.usda.gov/publications).

Thank you for your participation and support of our programs and U.S. agriculture. If you have any questions, please contact us at 888-424-7828.
