To enable the Army and Air Force Exchange Service to carry out its mission to enhance the quality of life for authorized patrons and to support military readiness, recruitment and retention, by providing a worldwide system of Exchanges with merchandise and household goods similar to commercial stores and services.

To authorize individuals for Morale, Welfare and Recreation (MWR) services, benefits and privileges administered through intra-agency agreements between MWR and any military exchange or the Defense Commissary Agency (DeCA).

To authenticate authorized patrons, record purchases and purchase prices, account for and deduct coupons and other promotional discounts, calculate the total amount owed by the customer, and accept payment by various media, such as cash, credit card, debit/ATM card, smart card and other chip-based cards, electronic benefits transfer payments, prepaid/preloaded and stored value cards, gift cards/certificates, and other similar methods of payments initiated through mobile device applications.

To aid the Exchange management in determining needs of customers and action required to settle customer complaints and to notify potential customers who voluntarily provide their e-mail address and other personal information to receive information about special events, sales, and other information about shopping at the Exchange, and to improve the efficiency and effectiveness of the Exchange's marketing programs.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

Personal Identification Information (PII) is collected for verification and identification for DoD benefits and to apply for a Military Star Card. PII may also be used for clarification and matching files with the correct individual to address issues with orders, shipments, collection of debts, interactions with financial institutions, or provide benefits to the individual from any exchange, MWR, DeCA, or any other retail and service organization within the Department of War.

e. Do individuals have the opportunity to object to the collection of their PII? ☒ Yes ☐ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The Exchange Customer Contact Database (CCD) is updated by Defense Manpower Data Center (DMDC) through an automated hourly asynchronous feed (BBS). When an individual has a valid Exchange, Commissary, or MWR flag—or when DMDC updates a record—those changes are sent directly to the Exchange. This routine process ensures we maintain accurate, timely data for authenticating Exchange and MWR privileges. Other times the collection of information is triggered solely by the individual's desire to communicate to the Exchange or another DoW entity for the purpose of verification and identity as a patron or to gain Government privileges. Collection is done "as needed" or "on occasion" and to provide feedback or obtain service as an authorized patron of any exchanges, MWR, DeCA, or other federal entity for whom the Exchange offers authenticating assistance.

f. Do individuals have the opportunity to consent to the specific uses of their PII? ☒ Yes ☐ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Individuals have some rights in consenting to their use of their PII in areas such as marketing, advertising, third party partners, or use of cookies when shopping on line. More details are available on-line at <https://www.shopmyexchange.com/cp/static-pages/terms-and-conditions>.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)
