Internship Disclaimers

By submitting this application, I acknowledge and agree to the following conditions of the Navy JAG Corps Internship Program:

1. Security Clearance Requirement: I understand that participation in the internship is contingent upon eligibility for a security clearance. I must successfully complete all required clearance procedures before beginning the internship.
2. Duration and Schedule: I understand that the internship lasts approximately 8–10 weeks and requires full-time participation (approximately 40 hours per week).
3. Assignment Location: I understand that while the Navy JAG Corps will make every effort to assign me to one of my preferred locations, placement at my first-choice location is not guaranteed.
4. Unpaid Position: I acknowledge that this is an unpaid internship and that no salary, stipend, or other form of compensation will be provided.
5. Travel and Expenses: I understand that I am responsible for all travel, lodging, and other personal expenses incurred in connection with this internship.
6. Lodging Availability: I understand that on-base lodging is generally not available to interns. In limited cases, it may be provided at the discretion of the host installation, depending on availability.
7. Base Privileges: I understand that interns do not receive military base privileges, including access to commissaries, exchanges, or other facilities reserved for authorized personnel.

Do you accept the internship disclaimers? *

Military Affiliation

In this section, you can disclose any military affiliations. This section is about others in your life – not your own military experience or service – which is addressed in a different section. Military affiliation in this section refers to those significant relationships in your life, with one or more members of armed forces (past or present). These affiliations can be family members, close friends, mentors or teammates. Affiliations disclosed are not dependent on the living status of the military member, nor the branch of service. These affiliations are focused on the whether the individual's service may have impacted your decision to join the U.S. Navy. Disclosure is voluntary. Add all that apply (with a limit of 10 entries).

Internship Preferences

In this section, you will add your preferences on which location you wish to conduct your internship/externship at. You must make (3) different selections. **Please note:** Listing preferred locations does not guarantee assignment to that location. All internship assignments are primarily determined by the operational needs and requirements of the Navy Judge Advocate General's Corps (JAGC) at the time of selection. By submitting this application, applicants acknowledge and accept that they may be assigned to any JAGC internship location with an available internship opportunity, regardless of the preferences listed. Successful candidates must be prepared to accept an assignment wherever the needs of the Navy JAGC Corps Internship Program dictate.
