

Public Burden Statement: The purpose of this collection is to enable HRSA and the Ryan White HIV/AIDS Program (RWHAP) Part A and B grant recipients to report Unobligated Balances (UOB) of federal awards by subprogram. RWHAP Parts A and B use the UOB financial information to determine formula funding and to determine statutory penalties associated with non-compliance with the RWHAP Part B 75 percent obligation requirement and the RWHAP Parts A and B five percent (5%) UOB penalty. In addition, information available in the UOB tables provides totals available for carryover. Since RWHAP Parts A and B awards include multiple subprogram categories with different requirements, UOB approved for carryover must be de-obligated and re-obligated to the same subprogram. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0906-0047 and it is valid until 05/31/2029. This information collection is required to obtain or retain benefits under RWHAP Part A 42 USC §§ 300ff-11 to -20 and 300ff-121 (§§ 2601-2610 and 2693 of the Public Health Service (PHS) Act) and Part B 42 USC §§ 300ff-21 to 331b and 300ff-121 (sections 2611-2623 and 2693 of the Public Health Service (PHS) Act). Data will be private to the extent permitted by the law. Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 13N82, Rockville, Maryland, 20857 or [paperwork@hrsa.gov](mailto:paperwork@hrsa.gov).
