

Non-substantive Change Request

OMB Control Number: 0920-0765, exp. 3/31/2026
IC Title: CDC Division of Workforce Development (DWD) Fellowship Management System
Date Submitted: January 7, 2026

SUMMARY. CDC requests OMB approval to implement minor changes to the content of two modules of the electronic Fellowship Management System (FMS), effective immediately. The previously approved burden estimates remain in effect.

CDC plans to submit a Revision request to OMB before the current expiration date of March 31, 2026. The Revision request will include updated estimates for system utilization and respondent burden (i.e., number of respondents and burden per response).

1. In this Change Request, CDC requests OMB approval for non-substantive changes to the electronic Fellowship Management System (FMS). Changes are proposed to improve question clarity, improve relevance of response options, and streamline question logic.
 - a. These changes affect two forms (Attachments 3 and 4)
 - b. Detailed changes to each module are listed and described in **Table D** (Fellowship Application module), and **Table E** (Host Site Application module). These tables are provided at the end of this narrative.

Table A: Current CDC Fellowships using FMS

Epidemic Intelligence Service (EIS)
Epidemiology Elective Program (EEP)
CDC Steven M. Teutsch Prevention Effectiveness (PE) Fellowship
CDC E-learning Institute (ELI)
Laboratory Leadership Service (LLS)
Public Health Informatics Fellowship Program (PHIFP)
Public Health Associates Program (PHAP)
Presidential Management Fellowship (PMF)
Evaluation Fellowship Program (EFP)
Science Ambassador Fellowship (SAF)

Summary of Changes for the Following Modules & Fellowships

- **Net changes to module by # of question**
 - o Application Module:
 - +1 question added
 - +10 questions activated for PHAP
 - o Host Site Module
 - -1 question

Rationale for Change

Updating both fellowship application and host site module to ensure alignment with 2026 programming goals/topic areas.

Description of Burden (no change requested)

Note: Burden in this change request is using the same burden requested (and posted) for FMS Revision Request's 60 Day FRN.

Table C: Estimated Annualized Burden Hours (approved 8/24/2023)

Type of respondents (<i>Information Collection "IC" title</i>)	Form	Number of Respondents	Number of Responses per Respondent	Average Burden per Response (in hours)	Total Burden (in hours)
Fellowship Applicants (<i>Fellowship Applications</i>)	FMS Application Module	5286	1	87/60	7665
Reference Letter Writers (<i>Reference Letters for Fellowship Applicants</i>)	FMS Application Module	7142	1	15/60	1786
Subset of FMS Fellowship Applicants** (<i>FMS Application Writing Samples (Subset Applicants)</i>)	FMS Application Module (13.6)	220	1	30/60	110

Public Health Agency or Organization Staff <i>(FMS Host Site Module)</i>	FMS Host Site Module	970	1	75/60	1213
Public Health Agency or Organization Staff <i>(Activity Tracking)</i>	FMS Activity Tracking Module	555	2	30/60	555
Fellowship alumni* <i>(FMS Alumni Directory)</i>	FMS Alumni Directory	3484	1	37/60	2148
	Total responses (adjusted for number of responses per respondent)	18,212		Total burden hours	13,477

Summary of Recent Changes Requested for this ICR

Submission	Approval Date	Content of Change
June 2022 Revision Request	3/13/2023	Moved to Microsoft Power Platform software, increase in number of respondents and total burden to reflect growth of fellowship programs.
August 2023 Change Request	8/24/2023	Added Evaluation Fellowship Program to FMS, removal of PMR/F and PH-TIPP from FMS, update to relevant SORN. Net increase in respondents and increase in burden due to EFP size.
November 2023 Change Request	11/8/2023	Adjustments to Application and Host Site module content to improve question clarity, improve relevance of response options, and streamline question logic.
December 2023 Change Request	1/05/2024	Adjustments to Application and Host Site module content to improve question clarity, improve relevance of response options, and streamline question logic. Removal of student loan repayment content.
July 2024 Change Request	8/12/2024	Refinement of Self Assessment of Skills content for PE and PHIFP, modification of Address/Location questions to streamline geographical data,
September 2024 Change Request	09/27/2024	Addition of updated Gender Identity and Race/Ethnicity questions as recently ratified by OMB. Minor changes to Application and Letters of Recommendation modules
November 2024 Change Request	12/19/2024	Modifications to PHAP modules, removal of emergency contact and recruitment related questions from Fellowship Application module.
EO Compliance 2025 Change Request	05/09/2025	Question modifications and deletions to ensure compliance with EO 14168 and 14151
July 2025 Change Request	07/14/2025	Modifications for Fellowship Application and Host Site modules for EIS and LLS.
January 2026 Change Request	Tbd	Question modifications, additions, and deletions to improve clarity and align collection with 2026 programming.

TABLE D: FELLOWSHIP APPLICATION MODULE

Program	Type of Change	Sec.	Current Question/Item	Requested Change
EFP	Question Revision	Training	Briefly provide some information on your formal training (classroom or otherwise) where all or part of the focus was on program evaluation approaches, methods, techniques, etc.	Briefly provide some information on your formal training (classroom or otherwise) where all or part of the focus was on program evaluation approaches, methods, techniques, etc. In your response, specifically list courses, formal trainings, etc. that were

				program evaluation focused.
EFP	Question Revision	Personal Statement	Briefly describe up to three program evaluation projects you worked on. In your response, please share how the different areas of the evaluation framework were used to complete the project. Lastly, please include your role in the project, evaluation approach and methods used, and outcomes or impact of the project (≤200 words per project).	Briefly describe up to three program evaluation projects you worked on. In your response, please list the specific steps of the CDC Program Evaluation Framework that were used to complete the project and describe how they were applied. Lastly, please include your role in the project (e.g., lead; support; data collection only; data analysis only; etc.), evaluation approach and methods used for the project (≤200 words per project).
EFP	Question Revision	Personal Statement	Describe how this program will help you achieve your goals.	Describe how this program will help you achieve your professional goals.
EFP	Question Addition	Personal Statement	n/a	<p>Effective program evaluation involves collaborating with a variety of interest holders from different professional backgrounds. Please describe a time when you collaborated with others on a professional project or activity. In your response, include the following:</p> <ul style="list-style-type: none"> - Your role in the collaboration and your approach to ensuring effective teamwork. - Any conflicts that arose during the collaboration and how you addressed and resolved them. If no conflicts occurred, please describe your general approach to managing conflicts in team or group activities.
