

Institutional Review Board Initial Determination

Principal Investigator/Project Director: **Rebecca Devlin/**

Project Title: **Administer mPINC 2026 Survey**

Sponsor Agency: **CDC**

Abt IRB #: **2235**

Initial Determination Status: **IRB review not required because project activities do not meet the definition of research per the US federal human subjects regulations**

Please note the following requirements:

Abt Global IRB study number: This study has been assigned the following Abt IRB# **2235**. Please refer to this number in your future correspondence with the Board.

Change in Study Status: This determination only applies to the study protocol submitted to the IRB for a determination at this time. Should there be changes to the protocol in the future, the study should be resubmitted to the Abt IRB to confirm the determination remains the same or whether IRB review is required.

Questions or concerns regarding this determination should be directed to the Abt Global IRB at irb@abtglobal.com.
