

Fiscal Responsibility Act (FRA) Outcomes Working Groups Interest Form

The FRA Outcomes Working Groups will consist of small virtual groups that will meet several times in 2026. These groups will focus on exploring FRA reporting topics and sharing ideas, challenges, and best practices. Participation will include actively engaging in discussions (e.g., sharing your experiences and progress, asking questions, raising discussion items). States at all stages of the data collection process are encouraged to join. Meetings will be facilitated, but their success will depend on everyone's participation!
