The study team plans to survey the **elementary school principal(s), school district administrator, and some kindergarten teachers, as well as the Head Start program director, center director(s), and some Head Start teachers** to get a full understanding of Head Start to kindergarten transitions. Nobody at the **school district** will see your responses to the survey.

NORC will be contacting you via letter and/or email inviting you to participate and will include a link and unique PIN to complete the survey. To thank you for your participation, you will receive a \$50 electronic token of appreciation of your choice for completing the questionnaire.

If you have any questions or concerns, you can contact the study team at HS2Kproject@norc.org or call them at 888-216-1220.
