

Diesel Inventory

EGov login:

The screenshot shows the login page for the Mine Safety and Health Administration (MSHA) EGov system. The header includes the United States Department of Labor logo and navigation links. The main content area features a login form with fields for Email Address (containing 'NETTLES.MARY@dol.gov') and Password (masked with dots). A 'Login' button is present, along with a link to 'I forgot my password'. Below the login form is a registration section with a link to 'New EGov users register here'. A notice section contains a warning about password expiration as of May 21, 2016. At the bottom, a warning states that the system is for authorized use only.

NOTICE

As of **May 21, 2016**, you will be required to change your password every 90 days. The system will prompt you 14 days before expiration and will continue to do so until the password expires or is changed. If there are any questions regarding password expiration, contact the MSHA Help Desk at 1-877-778-6055 or by email at desk.help@dol.gov. Thank you in advance for your cooperation.

****WARNING**WARNING**WARNING****

First screen:

The screenshot shows the Diesel Inventory screen within the MSHA EGov system. The header is identical to the login page. The main content area features a form titled 'Diesel Inventory' with a field for '* Mine Id' containing the value '1102664'. A 'Next >>' button is located below the field. A note at the bottom of the form indicates that asterisks denote required fields. The footer contains various links and contact information for the MSHA.
